Commodore's Message

Things have been quiet around the club lately, as it seems everyone is in winter hibernation mode lately, well most everyone that is. There are still things going on around the club however as we prepare for the coming season. A new kitchen is in the works as the Club's Holding Corporation has been busy planning, and working with contractors to upgrade our kitchen facilities. This work will take place over the next two seasons as they try not to disrupt our dining experience too much. I look forward to seeing the final product! Our Rear Commodore Barry has been busy as well working on your slip contracts and preparing for the long awaited Slip Assignment Day. You could help him out a lot by sending in all your proper documentation with your contract renewal including your proof of insurance in a timely fashion. Our V/C Joe has been busy working on membership, I can tell you from my year at this position it involves a lot of running to the club to do the interviews and signups. Good thing he moved close by! Saving the best for last, our Fleet Captain Bill Ortman has been busy making plans and phone calls setting up our season cruises and activities. We have some great cruises lined up. So as you might be able to tell, the officers and many volunteers of Baltimore Yacht Club are busy all year, and I thank them for all their hard work, all of which is for the benefit of you the member.

So far the winter season has been relatively mild for us. I sure hope I did not jinx us here. But every day that goes by brings us one day closer to boating season. I look forward to the day I call "cut out day", usually around the first of March is the time I cut out the shrink wrap and start the chore of waxing and prepping. The waxing part has gotten harder over the years though, age is catching up to me! Still with each day I know it won't be long til Sandy's Beach is where she belongs.

So as we get closer to "Slip Assignment" day think back on the day you joined Baltimore Yacht Club. Think back on the people and friends you have made along the way. Think back to some you have lost. I know of some I can't help to think about all the time. All because you joined a club of people that share at least one common interest. As you reminisce keep in mind the future. No one knows what the future holds for us, but what we do know how we can live for today. Myself I know I don't want to waste my moments of time left on things from the past that are gone. I will learn from it, but not relive it. A handshake of friendship or forgiveness will open your heart. Keep in mind WE ARE the Baltimore Yacht Club!

That's all for this month so see you at the Club,

Commodore Bill Morgan

Vice Commodore's Message

Brrrrr. There, I'll say it again, Brrrrr. What had until now been a pretty mild winter has suddenly turned brutal with the temperatures diving to near record levels. I'll take it if it means we'll have dry spring and summer weekends this year!

The renovations on the kitchen are underway and our February membership meeting is just days away. Personally, I look forward to meeting nights because it's often the only times I get to see everyone this time of year. Everyone except the Snowbirds, who send constant reminders with pictures on Facebook of their thermometers showing 75 degrees with captions that read, "Really cold today". Yeah, real cute!

The membership committee has been busy doing interviews of potential new members. It's tough conveying the excitement of the Club during boating season when it's just plain cold, there's no one around and everything is closed up. We even had to postpone a membership interview due to snow! Still, we've managed to get some folks excited and posted. When dealt lemons…

All in all, I can't wait until things get rolling again at the Club. After Valentine's Day, we've got the Slip Assignment Class which will be run by our intrepid new Rear Commodore Barry Scott. This of course means that Slip Assignment Day is not far behind. And our shiny new Fleet Captain Bill Ortman has some stuff cooked up for March, starting with our annual Land Cruise and a St. Patrick's Day party. We're getting close, just hang in there! And remember, Spring Training is only a couple of weeks away with the first pitchers and catchers reporting on February 16th; always a harbinger of boating season.

Keep warm, keep safe and get ready! We're working at getting Fantasy Island ready for the coming season. The sleeping giant BYC is getting ready to wake up, let's rock!

I'm looking forward to seeing everyone, even Snowbirds, on the hill!

Rear Commodore's Message

Happy New Year Everyone!! Hope all is well. We got through January with little or no real bad weather, so let's keep our fingers crossed February will be as mild. Spring is near, keep the faith.

Pat and I spent a great weekend in Ocean City at the Chesapeake Commodores Club Ball. Good food, great friends and fantastic comradery among all the visiting Yacht Clubs. Congratulations to P/C Jim Diven of North Point Yacht Club in being honored as the Yachtsperson of the Year for his outstanding achievement and dedication to his country, the Wounded Warriors Project and his contributions to the Yachting Community. It was a good time had by all.

Slip Contracts went out on January 10th and I have already seen quite a few signed and returned. Please remember to have your up to date Insurance Declaration Page attached to the renewal application. **This page will show all the coverages and most importantly, your Liability amount of $500,000.00.** Having this page makes life a lot easier for myself and the office. We must have the contract, payment and insurance Declaration Page back by the drop dead date of February 28th or the slip will be considered open and placed for bid.

Introduction to Slip Assignment Class will be held Saturday February 16th, starting at 11:30. We will go over all aspects of how to bid on a slip. Although taking this class will not guarantee you a slip, it will help you to understand the complete process of bidding on a slip. It will be time well spent.

Slip Assignment Day will be held on Sunday March 10th between the hours of 12:00 Noon and 4:00PM. Slip Assignment Day at BYC, as most of you well know, is always filled with lots of fun and excitement. It's the unofficial kick off to the boating season. Great food, drink, raffles and the Mates will be selling BYC clothing to wear for the summer. In my opinion it's one of the most exciting events of the year!! We can't wait!!

By the time you receive The Spray and read this article the Club will be open once again for another great boating season and BYC Summer!!

Pat and I always look forward to seeing everyone on The Hill, so until then, be safe, stay warm and come on Spring!!

Thank You
Rear Commodore Barry Scott

Fleet Captain's Message

Happy New Year to all!!

Not much has happened at the Club since the beginning of the annual shut down, but the Fleet Captain (and Fleetastic Karen) never rest. We have been busy the last two months scheduling entertainment for this year's events. Most of it is completed, but we still need to fill in a few more dates. As always, if you hear a band you enjoy and think our members might like to hear them, let us know.

Now on to the fun stuff planned for the next two months. Starting on February 15th & 16th, we will have our Valentine's dinner. Chef Eric is sure to have some delicious entrées planned, so remember to make reservations if you wish to attend.

Mark your calendar for March 9, the annual Land Cruise. This year, we will be going to Red Eye, Bush River, and Sue Haven Yacht Clubs. We will have two busses for this and seats fill up quickly.

On March 16th, we will have a St. Patrick's Day dinner and dance. Enjoy a traditional Irish dinner of corned beef and cabbage and be entertained by the Boumi Bagpipe Players. Stay after dinner and dance to the music of Zig Zag while enjoying cocktails at our bar.

One final note, we are always looking for members to help with or chair an event, and new ideas are welcome. Week on the Island is in August, and we need volunteers to chair events or assist with the activities. Please contact me if you are willing to help make this a great event.

Stay warm; hope to see you at the club soon.

Mates President's Message

On behalf of The BYC Mates I would like to thank everyone for their generosity over the holidays, when the Mates put out the call our club steps up 10 fold and for that I thank you. Our local community is extremely lucky, Chairwoman Patty Garey always makes sure those in need are taken care of and the needs of the young school children at Deep Creek Elementary are met. ☺

On Sunday, March 10, 2019 at Slip Assignment the Mates will be selling BYC clothing off the table and taking orders. In addition, we will have 2 laydown 50/50 boards going around throughout the afternoon, the winner of each board gets ½ the money collected and the other half goes to the Mates. All numbers are $5.00 each, you can pay cash or charge them to your membership #. We will also have items in a Chinese raffle – a scratch-off ticket tree and 2 themed baskets. You will be able to buy tickets at the table where the prizes are displayed, you can pay cash or charged to your membership#.

All Mates in attendance at Slip Assignment will be wearing Hawaiian Lei's, feel free to stop any of the ladies to ask questions or get more information about the Mates organization including the fun we have and the things we do for our local community.

Join the BYC Mates for dinner and a play at Oregon Ridge Dinner Theatre's The Phantom of the Opera (An Original Musical Adaptation), Saturday, March 23, 2019.

Board the Bus at 5:15 pm @ the White Marsh Park and Ride

Doors Open at the Oregon Ridge Dinner Theatre at 6:00 pm

Buffet starts at 6:30 pm and includes:
Beef, Chicken, Fish, Roasted Potatoes, Rice or Pasta, Vegetable of the Day,
Rolls, House Salad, Assorted Desserts, Coffee, Hot/Iced Tea.
There is an extra charge for wine, beer and soda.

Show starts 8:00 pm

Mates Members and One Mates Guest $30 per person
Non-Mates Members and Guests $40 per person
Cost includes bus, buffet, show and a small gratuity
(May be charged to your BYC Member Account)

For reservations contact Mates Vice President Debbie Penczek
410-808-5185 or debbiepenczek@comcast.net
(Bus Seating is Limited to 42 Riders)

As always ALL are welcome to join us the 1st Friday of the month in the Island view room at 8:30pm. Come join the fun along with helping our local community.

Take care,
Lori A. Ostendarp

A Message from the Princess

Happy New Year! Most people think that the New Year is just a day and that is overrated. But it is not that. New Years, just like all holidays, is a time to slow down, spend time with family and friends, to unwind, to remind of us to be grateful for what we have, and to celebrate.

First, I am very grateful for the members of the Baltimore Yacht Club. At the Christmas Party, we raised nearly $1,000 for the Alzheimers Foundation of America, which has put me that much closer towards my goal of $2,500 for AFA. This organization and the people it serves depends on the generosity of great people like you to continue to carry out their work. I will continue to sell the 50/50 raffle until Opening Weekend, but I still want to give a big thank-you to everyone for their contributions.

Second, I am grateful to have been able to spend time with my BYC family over the holidays and celebrate many occasions with them. Two of my favorite holiday celebrations were the BYC Children's Christmas Party where I got to help Santa hand out the presents, and the Christmas Caroling event. Even though I am still a kid myself, watching children with Santa warms your heart. I have also celebrated with our yacht club community at their balls. During the stress of getting back to the school routine, it was great to dress-up, unwind, to connect with the other Princesses, and to honor our sister Yacht Clubs.

The holidays are not just days on the calendar. They are reminders of how important it is to make celebrations a priority to find time for everyone to gather with friends and family that mean the most to us.

Princess Madeline

A & B Pier Report

A group of folks from B Pier headed out on a cruise from Baltimore to the Caribbean for 10 days with temperatures reaching 80+ degrees. There was a total of 39 BYC folks which included John and Kathy Schlee, Connie and Dan Ziegfeld, Gayle Valentini and her sister Teresa, and Tom and Robyn Strobel. Also included in gang were Pat and Rosalie Brennan and Gerry and Linda Stank. Kathy Schlee performed in the show, and is now being recruited for Dancing with the Stars.

Charlotte Wilson organized jewelry shopping on St Martin, and Dan Ziegfeld got the best deal! There were a few over served ladies on the catamaran cruise in St Lucia, and almost a wardrobe malfunction and apparently I'm to ask Dan about his emersion tour in San Juan. I will be sure to have that story in my next article. They hit seven beautiful ports along the way and had absolutely gorgeous weather and extremely calm seas the entire trip.

Kathy & John Schlee celebrated their 51st wedding anniversary the day they returned home from the cruise which was the coldest night of the season, but John says it was a little warmer in their hearts – WOW! That is just awesome. BTW – John swears they were wed at birth J

Here are a few photos from the cruise – photo cred to John Schlee.

Nora & Jerry from A pier sold their boat but assure me they will still be around the club, but for now are heading to Florida for warmer weather.

Looking forward to seeing everyone at Slip Assignment on March 10th.

If you have news to share please email me at lori.ostendarp@morganstanley.com

That's all for now!

Take Care,

Lori A. Ostendarp

C Pier Report

So far, winter has been kind to us here in the northern regions, and Baltimore has had much more snow than we have. Yet January seems at least six weeks long so far. It might be because I decided to try that dry January thing. The days are getting longer, and February 1st is right around the corner.

Get well wishes go to C Pier residents P/C Bob Lilly and Dave Boyd. P/C Lilly needed a hip replacement, and Dave Boyd decided it was finally time for a new left knee. We all hope to see them fully recovered and back on their boats as soon as possible this Spring.

I saw quite a few C Pier people at the member cocktail party, which is a great event to help pass the time from when boats are put away until we are all back enjoying the club. The Ravens could have increased the festive mood by winning. My Eagles squeaked through the first round only to lose the next week. I am going to guess that we are either not watching the Super Bowl or just rooting against the Patriots now.

Some C Pier residents attended the Rotary Oyster Fest at the 5th Regiment Armory, which is an event that raises money for many great causes. Dan and Beth Dietrick, Stacy and Don Mellinger, and Jim and I enjoyed lots of raw oysters and other great food. None of us were successful gamblers on the Wheels of Bacon, Wine or Beer. But we had fun trying.

Most recently, Jim and I visited James at Millersville University and met up with Kris and Joe Stremmel, Phil and Sue Schaffer, and Dave and Sue Boyd for dinner in Lancaster. Stremmels, Schaffers, and Paluszynskis met to discuss plans for our upcoming Florida vacation. Dave Boyd was showing off his new left knee - joking aside, it is great that his recovery has been smooth and he can look forward to enjoying golf next summer.

I know people are enjoying vacations in warm and sunny destinations (Tom and Robyn Strobel, Don and Joan Dietrich, just for example), if you want a shout out to make the rest of us jealous:

D-Pier Report

Ahoy D Pier! The good news is the days are getting longer and Slip Assignment Day, the BYC kick-off to start the new boating season, is not far off.

Meanwhile, winter drags on, prompting many in BYC, like the traveling Wilsons, to find ways to beat the cold. Just in from Charlotte Wilson is a note which says, "We are back in COLD Baltimore. We had wonderful weather on the Cruise! Many of us were trying to find a way to stowaway in the ship! Hope to see you all soon"

Also down south were Ed and Linda Gerner, who spent much of January in Savannah, GA, a unique and charming town topped by lots of Spanish Moss. For the Irish among us, Savannah is also legendary for its St. Patrick's Day Celebration.

The BYC South Social, once again hosted by Dean and Sylvia Stump, will be held on February 24th in Punta Gorda. FL. All past and present BYC members and mates are welcome. Please contact Sylvia Stump if interested. Unfortunately, Kathy and I will have to miss the Social as we will be on a cruise ship out of Ft. Lauderdale.

The warmer clime theme continues. Jim Smart reports, "While I was working in Abaco Bahamas, Colleen came down to spend some time with me and to see the Island. She was able to meet up with fellow D Pier residents Ron and Lenora Stern while they were wintering in Abaco." Jim was part of the coverage team for the Web.com Golf Tournament. Colleen sends a Big Thanks to the Sterns for their great hospitality! Highlights with the Sterns (who were happy to relate the amazing history of the island) included a tour of March Harbor, breathtaking Treasure Cay (and its World's Top 10 beach), and dinner at the Cocoa Beach Bar. Perhaps Colleen should go with Jim on his "work" trips more often.

Congratulations to P/C Dick Bruns, who, at the Annual CCC Ball in Ocean City, added to his collection of Best Costume Awards. As always, the BYC crew who attended this amazing three day event had a great time with yacht club friends from around the Bay.

Finally, Well Done to DNR Police Corporal and BYC Past Princess Veronica Bruns, who participated in the Annual Polar Bear Plunge in support of the nearly eight thousand Special Olympics athletes who train and compete free of charge in Maryland year round. I received a Facebook screen shot of Veronica with Governor Hogan at the Plunge, which hopefully made it into the newsletter (software and pictures can be tricky).

Until next time, see you on D Pier!

Sue Island Sue

Hello all! This is the holidays and start of winter edition!
Who else is ready for winter to be over? I know I am!
It has been a busy couple of months. The club had a great Children's Christmas party with an entertaining juggler, the adorable Princess Madeline as Santa's elf and of course Santa!!! It was wonderful seeing so many families, some with as many as four generations, enjoying the beautiful club. The food on the buffet was da bomb!!!
The evening of Christmas Caroling was just lovely. Well mostly. Who else cringed as the bridge and mates sang 12 Days of Christmas??! Thankfully, there were two angelic voices singing the Partridge in a Pear Tree part!!!
I'm not sure what was more exciting, the Ravens getting into the playoffs or the Member Cocktail Party!! People going through the receiving line looked like they were doing the Chicken Dance!!! Elbow to elbow, fist to fist to avoid getting or giving germs!!!
The staff and chef did an amazing job of putting out a spread of delicious food AND providing Ravens fans a place to watch the game, which did not end well.
If you were not in Ocean City for 3Cs, you missed a good time as well as the opportunity to unload and reload the trailer packed with the makings of a great hospitality room!
Heard lots of positive comments about our room from members of other clubs.
Also heard the following exchange:
"Connie, You going to Frank's?"
Reply- " ya, I got ice"! You can't make this stuff up!
Well until next time, Sue Island Sue will be seeing you around!!!

Kilroy

Kilroy's current observations:

1.) It was great to see so many members attending and enjoying themselves at the cocktail party. The food and company were great. For BYC members who are Ravens fans, maybe next year will turn out better.

2.) Charlotte Wilson organized a two week cruise out of Baltimore for several BYC members. Kilroy hears that Kathy Schlee was chosen to dance in the cruise show and is now being recruited by Dancing with the Stars. A shopping trip to Joe's Jewelers in St. Martin was on the itinerary, and BYC bought enough to make their week, or maybe their season. Also, apparently what happens in St. Lucia stays in St. Lucia when rum punch is involved. Finally, two members also have the previously undiscovered talent as donkey whisperers.

Fleet Chaplain's Message

"A NEW YEAR IS HERE"

Welcome to the beginning of a new year (January doesn't count. It's resolution month). This is the beginning of a new set of numbers on the calendar, which tells us that the slate is wiped clean. As we look ahead with hope and anticipation, let us not forget where we have been and what we have accomplished. Greetings in the name of our Lord and Savior, Jesus Christ.

Now, as we sit in the middle of winter and think back to the holiday season, our friends, our family, our Yacht Club family and all the people that we are surrounded by, we have to be grateful for what we have, even though it may become overwhelming sometimes.

Philippians 4:19:
"And my God will meet all your needs according to the riches of his glory in the Lord."

Sometimes we can feel overwhelmed by the challenges and obstacles we face. But, we have to remember that God equips for every season of life. God will not allow you to face Goliath, He will not allow a major challenge and then just give you a little encouragement, a little strength, a little wisdom. No, God equips you with exactly what you need to overcome every obstacle. What you have in your hand may not seem like much, but remember, David had victory with only five small stones!

Know today that you have been empowered to accomplish every dream that God had placed in your heart. Oftentimes, the reason you have a large obstacle, is because you have a huge future. You may be facing a big challenge, but you're a big person facing a big God. Know that no matter what you face, God will meet your needs. You are equipped, you are empowered and you are heading toward success and happiness in every area of your life! Now is the time to confront your challenges. The 2019 boating season is just around the corner and we all want a piece of mind, to enjoy our friends and family in the Baltimore Yacht Club, which is so important to us in the time of need. Keep the faith .We are blessed with "A way of life."

Let us pray:
"Father, thank You for meeting my needs according to Your riches in glory. I shake off heaviness today. I shake off worry and doubt and put on a garment of praise, knowing that You are working things out for my goodness.
In the Lords holy name. AMEN

Remember:
"When in doubt, PAUSE; When angry, PAUSE; When tired, PAUSE; When stressed, PAUSE; And when you pause, PRAY and count your blessings".

Chaplain

Manager's Message

We are all looking forward to opening back up after the January Shutdown. The Club didn't undertake any large projects ourselves, but the Kitchen Remodeling project is in full swing. Our team will be working with the Holding Corporation and their contractors over the next couple of months to complete the project with minimal effect on our food and beverage operations. Sometimes we may have reduced hours or menus based on the progress and timing of the project. Any adjustments to our schedule will be communicated to the Membership in emails and on our membership Facebook page.

The Club has started a search for a new Dockmaster. We have received some good resumes and will be interviewing throughout the month of February with a plan to have a candidate named by the end of March. We are looking forward to having the position filled and hope to hire a candidate that has some good experience that will complement the Club's culture. Thank you for your support as we work through this process.

In closing, I would just like to take a moment to explain and acknowledge a personal achievement. After meeting the requirements and passing the exam, I have received the designation of Certified Club Manager (CCM) through the Club Management Association of America (CMAA). A brief description of its meaning and the requirements from the CMAA website are below. Earning this distinction has been a goal of mine since choosing to pursuing a career in the Club Industry. My time and experience, along with the tremendous amount of support the Membership and Staff at BYC has shown me, has gone a long way to helping me reach this goal and I thank you all for the encouragement.

Cheers,

Scott Lockwood, CCM

"Established in 1965, the CCM designation is the hallmark of professionalism in club management. It is a valuable, internationally recognized, and widely-respected mark of a manager's long-term commitment to professional development and the club industry. In order to receive the CCM designation, one must invest time in specified educational requirements through the Business Management Institutes, attend the World Conference on Club Management, and maintain activity within their local chapter. After these conditions have been met, the individual must pass the CCM Exam." - cmaa.org
