

Pier Winterization Day 2018

Saturday, November 17th

9:00am at Dock Office

**A day of work, fun, food and drink
(and the work is the easy part)**

Please join your fellow BYC members on Saturday, November 17th at 9:00 a.m., as we bid the boating season farewell, and winterize the piers and bath house for the upcoming winter months. We will drain all the water lines and pump in "THE PINK STUFF".

Besides getting a chance to "turn spigots on and off", which is always exciting, you will be able to socialize with your fellow members, have a good lunch with free draft beer and soda, and possibly have your picture and name appear on a local TV station. (That last part is highly unlikely, but hey, you never know)

**PLEASE MEET US AT THE DOCK HOUSE AT 9:00 a.m.
FOR COFFEE AND DONUTS**

Notice to Slip Holders

**Please disconnect and remove all water lines
& hoses before November 17th.**

**Commodore
Bill Morgan**

**Rear Commodore
Barry Scott**
