Commodore's Message

Hello everyone, Sam and I just returned from the August Weekend BYC Cruise organized and conducted by our favorite Fleet Captain Scott DeLong. BYC spent the weekend at Haven Harbor North and had a great time. F/C Scott arranged the entire weekend. The crabs were fantastic, the pitch in meals were out of this world and the comradery was off the charts. Captain Reese Williamson took eighteen members via his huge boat around to The Harbor Shack for lunch and BYC occupied most of the tables. Thanks, Reese, for taking Sam with you. I was able to recover from my first final, final. I almost stayed up to midnight!

On a more serious note, BYC is moving forward with our plans to renovate the clubhouse. An update on the progress was sent to membership the week of August 20th, 2023. Please take the time to read it. It will give you a clear picture and assessment of our efforts, as a club, to meet the wants and needs of the membership. Collectively, we know it seems like years ago when the pipe broke and we suffered significant damage to our beloved home away from home, however, we can now see the future at BYC as a club everyone will be proud of, coming to fruition.

As Commodore I would be remiss if I did not take a minute to thank General Manager Scott Lockwood and his staff for their flexibility and overwhelming efforts to maintain the spirit of BYC throughout these trying times. There are so many members who make this club a community of individuals who come together for the common good. Going into the Labor Day Holiday I would like to reach out and thank Lady Tristan for all her attention to our entertainment season this summer. The music was a welcome addition for our enjoyment.

My year as Commodore is ending in a few short weeks. I would personally like to ask everyone to share in the Fleet Review weekend organized by my cornhole buddy, and Master of Ceremony for the Belly Flop Contest, the friend to every microphone this side of the Mississippi River, Honorary Past Commodore Wayne Penczek. Please come out and enjoy the festivities on September 16th.

Thanks for your help and support,

Commodore Keith and First Lady Sam

Vice Commodore's Message

While the summer seems to have flown by, I'm anxiously awaiting the fall start of the clubhouse renovation project. Thanks to everyone associated with the club, as you have all – club members and staff alike – played a part in making this project happen. The opinions, cooperation, teamwork and sweat equity of all involved is very much appreciated. Presuming all goes well over the next few weeks and months, I will be humbled and honored to be the presiding Commodore, when we reopen our new clubhouse. As we move forward with the project, let's remain patient with inevitable with changing clubhouse requirements and restrictions and each do our part to allow the Holding Corporation and its designated contractors to complete their work as safely and quickly as possible.

Equally exciting, as with each fall season, comes our change of watch. There's still time, if you to join the team of the many volunteers tasked with leading our club into the future. Feel free to contact me if you would like to join us on this sometimes challenging, but always rewarding, effort. I am happy to entertain any requests and am open to all new ideas.

Yes, this fall will also include a Commodore's Ball!!! MARK YOUR CALENDARS for Saturday October 21st as we kick off BYC's Greatest Show on Earth. The event will be held at the Boumi Shrine Temple 5050 King Avenue in Rosedale. For those of you wishing to stay on your boats, free transportation to and from the Temple will be available for your convenience. Invitations with full details will be out VERY SOON. I truly hope all of you will join Pam and I in celebrating the Club's Circus Extravaganza year.

Last but not least, I hope to see many of you in the basin and on the hill as we celebrate the Labor Day holiday weekend so I may thank you personally for all you do to make BYC the Best Club on the Bay!!

Best regards,

V/C Gary Blankenship

Rear Commodore's Message

Hello Captains!

I would like to thank Scott DeLong, Fleet Captain and lady Jan for all of the work in putting together the weekend cruise to Rock Hall. Our family had a great time with our BYC friends and the weather was just too good to be true. What a great way to enjoy one of the last weekends before school started!

The planning committee continues the process of responding to your wishes as expressed in the club survey completed earlier this year. With the clubhouse renovation project being solidified we are now better able to prioritize the remaining list of capital projects using the data collected. In addition, we are evaluating the 80+ pages of write-in comments which are very helpful in understanding what you like, what you don't, what you'd like to see more of, etc. All of the information has been extremely helpful and we appreciated your time to complete the survey as we use the information to meet the wishes of membership.

In closing, I hope everyone had a great summer and will be able close it out with bang this Labor Day weekend. I know care was taken to ensure there is plenty of entertainment on the hill all weekend so no excuses for not having fun whether on the water or up on the hill.

Best Regards,

Eric Hiemstra

Fleet Captain's Message

Hello BYC Members!

Seems like we were just talking about opening weekend and it is now time for our BYC Labor Day Celebration! But first, let's recap the amazing summer we've had on the bay!

We've had the Shakedown Cruise, Sock Burning event, the Week's Cruise, the Weekend Cruise, gatherings on the hill, great bands, and who can forget Week on the Island, especially the auction! We've enjoyed all the events and will be looking forward to getting dressed up in our best attire for the balls throughout the fall!

Join us this weekend for the Labor Day celebration! There will be great food, entertainment, splashes in the pool, and of course, gatherings on the hill. Let's not forget our dancing shoes!

In addition, if you haven't done so, register to join us for the upcoming Frostbite Cruise, October 7th & 8th at Osprey Point. Registration is available on Dockwa.

Jan & I also want to thank everyone for making our first year as Fleet Captain and Fleetress a memorable one. We appreciate all the help we received, especially with Week on the Island. Everyone pitched in, which made the event a great success! Thank you to all the members and the BYC staff. Jan & I couldn't have done without the BYC team and members helping us along the way!

We look forward to seeing everyone this weekend as we roll towards fall. As always, we encourage members to continue to approach us with any event ideas or club concerns members may have.

Princess Zoe Message

Hello BYC,

I am sad to say that my time as princess is nearing its end. I've had a great time meeting and getting to know everyone from my own and other clubs and would like to thank everyone for their constant support in me as princess. Thank you for allowing me to proudly represent Baltimore Yacht Club during the 2022-2023 season; I can most definitely say this boating season was a great one! I had a lot of fun rafting out and spending time with my favorite people at the club and I cannot wait to see what the club has in store for everyone in the years to come.

Thank you,
2022-2023 BYC Princess Zoe Chicago Hiemstra

A & B Pier Report

Here we are in the dog days of summer!!

Week on the Island (WOTI) was great fun this year, as always!! Thank you to all who worked hard to make it happen!

Pat Hodges, Michelle Martin and Pam Wolfe (and her fun family), as well as yours truly had a great time at the bag bingo. Pam's table had a number of lucky winners!!

The same group, along with John Monte very much enjoyed the wine pairing/tasting that Becky Johnson and team delivered! Yummy food along with delicious wines!!

I'm looking forward to the weekend cruise to Rock Hall. Aside from spending fun times with members from all over the club, we get to enjoy the best crabs on the bay at the Saturday crab feast!! If you've never joined before, you should consider coming along!

I'm also looking forward to the Labor Day weekend! Music every night!!

Who's up for another Happy Hour under the tent?? Let's plan one!!

Hope everyone continues to enjoy what's left of summer!! But remember, fall boating can be the best boating of the year!!

Until next month.....

C Pier Report

Dear Baltimore Yacht Club C Pier Members,

As the summer winds down and we reflect on the memories we've made, we are excited to share the highlights of August's activities and announce an upcoming event that promises to be the perfect conclusion to a wonderful season.

A great time by all was had who participated in the Weeks Cruise. Our Week on the Island was an absolute blast for both our youngsters and our members. The smiles, laughter, and endless adventures truly made it a magical time for all involved. Seeing the kids connect with each other and nature was heartwarming, and we're grateful to everyone who made it such a special event. Your participation and enthusiasm made this week one to remember. A special thanks to all that helped plan the events and especially to Becky Johnson for knocking it out park with another fabulous wine dinner.

We're thrilled to hear that many of our slip members had a AARRGGHH of a good time at the Pirates Festival in Rock Hall. It's fantastic to see our community members engaging with neighboring events and embracing the spirit of camaraderie. Such interactions enrich our experience and create lasting friendships beyond our pier and club.

Looking ahead, we have the weekend cruise and we're excited to announce the much-anticipated Crab Feast scheduled for Saturday, September 30th, at 1 p.m. Get ready for a Crab Feast that will surely satisfy your craving for crabs. We're working to put together an unforgettable event, and we can't wait to share all the exciting details with you in the coming weeks. Please keep an eye on your inbox for the official invitation and RSVP at your earliest convenience.

As we approach the end of the summer season, it's a time to reflect on the memories we've made, the friendships we've forged, and the joy that being part of the Baltimore Yacht Club and our C Pier community brings to our lives. Your active participation and genuine camaraderie are the backbone of our club's success, and we're truly grateful for each and every one of you.

Remember, it's not just the end of summer but the beginning of a new set of adventures. Let's make the most of the time we have left, cherishing the moments we've shared and eagerly anticipating the exciting times ahead.

Here's to an incredible end of summer and a fantastic start to the fall season!

Warm regards,

Julie and Megan

D Pier Report

Ahoy D Pier and BYC Shipmates!

Sadly, we recently mourned the passing of two longtime D Pier shipmates, Anita Torma and Margaret "Maggie" Diller. Both these ladies were a pleasure to know and will be dearly missed by their friends at BYC and on the pier.

Earlier this year, we lost longtime D Pier shipmate Dean Stump. Sylvia Stump sent in a note saying, "Thank You to D pier and all other BYC members for the many expressions of sympathy for Captain Dean Stump, AKA (MEISTER). He so enjoyed many years on TIMBER at BYC and on the Bay".

Rick and Kathy Burns are happy to report their daughter Meghan (a BYC Past Princess) was accepted to Navy Flight Test School as part of her job at NAVAIR. She started training in July. Congratulations Meghan as you continue your career helping our Navy and our pilots have the best aircraft possible.

D Pier was happy to hear that Bob Sapp is at home recovering from recent surgery. It is rumored that when Bob was awaiting transportation to a regional medical center, he refused a helicopter and insisted on a stage coach! Bob spent 2 weeks recovering at his daughter's beach house in Ocean City, Maryland. Bob, we look forward to your return to D Pier !!!!!

Cruisin' Ed Gerner sent in some pictures from his recent boating adventures. The first shot is from a run to Bay Bridge Marina. The second shot is the ominous storm front he saw out the window on July 1st as CHESAPEAKE ROGUE traveled down to OC. Ed reports that, "This nasty storm was traveling NE from the southern shore of Delaware Bay and was clearly after us. We outran most of it at 28 knots, knowing that the farther south and east we got, the better off we would be".

Finally, we had a shot of a sport fisherman spotted in OC called REEL CHAOS. Did P/C Jay get a new boat or is there an imposter out there?

Until next time, See you on D Pier!

Sue Island Sue

WOW, can't believe it's August already.

WOTI was filled with a lot of fun events but the weather didn't seem to always seem to cooperate. The weather men were right with storms on Monday evening cancelling the evening sunset cruise, leaving the Island without any power, and sounds of generators running. I thought slip bidding was fun to watch but parking space bidding is even better. If this was the way Slip bidding went, I never get a slip.

And I can't keep up with all the boats leaving every weekend. How can I ever figure out all the gossip.

I think the Bridge needs to outlaw Jitterbuging...

No matter where you are located, I will be watching.

Even Keel,

Sue Island Sue

Manager's Message

Another great summer season is drawing to an end. It has been fun to face the new challenges of this temporary layout head-on, but I will be happy to put this behind us and work to get into the remodeled clubhouse next season.

August was highlighted by the Week on the Island. I appreciate the organization of Fleet Captain Scott and Fleetress Jan. I am grateful to all the volunteers who helped with the many activities and events. The auction's success was nothing short of amazing and will go a long way to support this year's Week on the Island and carry on this strong tradition.

On Tuesday, August 22nd, the Club hosted its annual end-of-the-season Employee Appreciate Day. This year, the staff requested the party be held at the Club pool. I appreciate Commodore's support in helping to execute the party. We had a strong turnout, and I am grateful to the members who welcomed us to share the pool with them. Each year at this party, we recognize staff that have achieved a milestone anniversary this year. We had one 10-year anniversary to recognize, and well, that was me.

I look forward to seeing everyone over the Labor Day Weekend!

Thank you all again for your support over this summer season.

Cheers,

Scott Lockwood, CCM
