Commodore's Message

The VOTE is behind us and BYC is moving forward on the island bar concept that was overwhelmingly voted in by the membership. I want to thank every member who participated in the voting process. I thought the meetings were well attended and the membership was respectful and responsive. As Commodore my goal was to bring the membership together, listen to their concerns and suggestions and present options reflective of the wants, needs and desires of the majority. We were successful as a club in doing so. Without the support and input of members this project would not have been possible.

The Fourth of July was a pleasant experience as a whole and numerous members thanked First Lady Sam and me for the weekend festivities. Some even thanked me for the weather. Now when the weather is bad, do not blame me, blame F/L Sam. The reality of the experience lies with GM Scott Lockwood and his staff. They performed very well, and the members expressed this to me also.

The Bridge and Board are addressing issues of security around the island. GM Lockwood and I met with BCPD personnel who are conducting a safety and security survey at BYC. You may see them entering the property at different hours of the day and night to review our safety features such as lighting, front gate security issues and other areas of concern. A final report is due to BYC by the end of July. Security and the safety of members, staff, and others legally on our premises are a paramount concern at BYC.

By the time you read this BYC will be on the traditional week's cruise around the Chesapeake. For those on the cruise please enjoy your friends, family, and cohorts. Hopefully, we will all return to our home port unharmed.

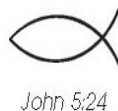

If you were unable to attend, remember the Weekend Cruise and Frostbite Cruise later in the year. The Frostbite Cruise is to welcome in the new Commodore. V/C Gary Blankenship will be taking over the helm this October. Please make him feel welcome. But do not count me out yet, I still have a lot of Commodoring to do. Thanks for all our support and kind words.

Commodore Keith and F/L Sam

Vice Commodore's Message

Summer Greetings from the Cool Change,

By now we hope everyone is in the full swing of summer fun!! If you've ventured out to our lovely Sue Island, you know the Club isn't missing out on any summer adventures... The fourth of July was a well-attended, weekend-long festival of good food, great music, fun times, fireworks, and our annual parade around the Island. Thanks to Scott and the club staff, as well as the many club volunteers for making the weekend a great time for young and old alike. As the summer progresses, we hope to see all of you around the clubhouse and at club activities and cruises. This is what we wait all year for – summer - let's make the most of it.

Speaking of making the most of it, I would be remiss if I did not extend my sincere appreciation to everyone who showed up to vote on the new clubhouse renovations. It was gratifying to have such a packed house of club members and mates interested enough in our future to give up part of a summer weekend to make your voices heard. There's an exciting future ahead for BYC, and Pam and I are both honored to be a part of it. We hope everyone will join together as we move BYC forward to a bright new future!!

Understand that the hard part of our new clubhouse is still ahead of us. Making the members' vision a reality that will require some time and patience. I hope everyone will continue to bear with the Holding Corporation, Bridge, Board and Staff as we continue to work to ensure that everyone has a positive club experience throughout the renovation process. More details about all aspects of the project are sure to follow soon.

On a related note, in my capacity as Membership Committee share, I'm pleased to report that membership inquiries are up and we have already signed up several new members, since the renovation vote. Everyone inquiring seems to be very excited and responding favorably to the new clubhouse plan.

After several dedicated years of loyal photography services, the Peters have decided to take a much-deserved break from serving as our official club photographers. Special thanks to Jack and Nancy for their great effort over the past few years. If you love to attend club events have a fondness for photography, I'd love to hear from you.... I'm looking for a club photographer for our next club year that starts in October. Photography not your thing... That's ok. As the summer progresses there will be lots more opportunities to find a niche to your liking. If you have a skill, talent or interest that can be helpful to the club, we'd love to have your support! Stay tuned, more details to come, as we ramp up plans for next year.

Wishing everyone a safe, happy, healthy, and adventurefilled summer. As always, don't hesitate to reach out to me if I can be of assistance.

Best regards,

V/C Gary Blankenship

Fleet Captain's Message

Hello BYC Members!

Club openings have come to a halt, BYC's opening weekend has come and gone and the 4th of July went out with a bang, but in BYC fashion, that doesn't mean the fun stops! As most of you know, when it comes to fashion, Jan & I pride ourselves on wearing what's in season or dressing up for whatever event is happening at the club. This past weekend we sported red, white, and blue stars & stripes while celebrating the 4th of July!

Although July is flying by, we are looking forward to the upcoming weeklong cruise, which departs this Saturday, July 8th. We anticipate a week of fun and sun while visiting Safe Harbor Narrows Point, Hyatt River Marsh Marina and Safe Harbor Great Oaks. Those of you attending should have registered on Dockwa or Snagaslip as outlined in previous notices. In addition, if anyone has not turned in their registration form and payment, please reach out to Jan or I as soon as possible to ensure an accurate headcount and registration is calculated by Friday afternoon.

To keep the cruise spirit up, we will be going to Haven Harbor North (Rock Hall) for the Weekend Cruise August 25th, 26th & 27th and registration will be on Dockwa for slips. The Frostbite Cruise will be at Osprey Point on October 7th & 8th. Registration will be on Dockwa for slips.

Keep an eye out for information for Week on the Island (WOTI). Join us on the island for a week of bands, events, crafts, and the much-awaited AUCTION!

We look forward to seeing everyone on the upcoming cruise and as always, we encourage members to continue to approach us with any event ideas or club concerns members may have.

A & B Pier Report

What a start to the season it has been on A & B Pier!!

Thanks to Pier Captain Paula Johnson, we had an amazing Opening Weekend! Starting with a very successful Happy Hour where so many members from both piers participated!! So much fun!! Then on Saturday, we had a pitch in lunch where Joe Johnson grilled his homemade sausages and shared them with everyone. Many thanks to Mark Cunningham for bringing his large cooker for Joe and all to use. It now resides under the tent that is at the end of A pier. I think this pitch in lunch with grilled sausages will be a new Opening Weekend tradition as long as Joe and Paula are willing!!

John Monte and Pat Hodges tied the knot at a small ceremony on June 23rd and then jetted off to honeymoon in Key West!! Wishing the newlyweds many happy years together!!

Pat's recovery from hip surgery is coming right along, she was able to get on the boat during the 4th of July weekend.

Speaking of the 4th of July weekend, A&B Pier had another happy hour at the start of the weekend that was well attended. Barry Scott broke out his grill and offered it up to anyone who wanted to cook something. Looking forward to more happy hours as the season progresses!!

B is becoming the place to be!!!

See everyone around the club!!

NEW LIFT IN USE!

C Pier Report

Dear C Pier Boaters,

I hope this letter finds you in high spirits and enjoying the splendid boating season. We would like to express our heartfelt gratitude for your enthusiastic participation and support during the recent Opening Day weekend. It was an unforgettable weekend, filled with camaraderie and shared love for boating.

We were delighted that our efforts in the pier decorating contest were recognized, and we emerged as the winners! It is a testament to the creativity and dedication of our C Pier community. Thank you for your fantastic contributions in transforming our pier. The efforts each one of you put in truly made a difference and showcased the incredible spirit of our boating family.

Furthermore, we would like to extend our appreciation to all the pier members who took the time to respond to our recent survey. Your feedback is invaluable to us as we strive to enhance our activities on the C Pier. Your suggestions and ideas will guide us in organizing some fantastic pier gatherings in the upcoming months. Stay tuned for announcements regarding these exciting events. We are eager to create more memorable moments together. Speaking of that, we also want to take a moment to highlight the resounding success of our Fourth of July pitch-in. Special thanks for Tristan Hiemstra for pulling together. The atmosphere was electric, and it was heartwarming to see everyone come together to celebrate our nation's independence. A special thank you goes out to DJ Klima for keeping the music going later on top of the hill and setting the perfect tone for a festive evening. We truly appreciate your efforts in making the evening a grand success.

We also would like to extend our deepest Sympathies to George Harrison and Julie Bertoldi for the loss of Jim Harrison. Our prayers and thoughts are with them and their family during this difficult time.

As we continue to sail through this boating season, let us cherish every moment spent on the water and embrace the joys of being part of the Baltimore Yacht Club. The summer is still young, and there are countless adventures and memories waiting to be created. Together, we will make this season one for the books.

Warm regards,

Julie and Megan

D Pier Report

Ahoy D Pier and BYC Shipmates!

The Penczek's are proud to announce that granddaughter **Emma Penczek** was selected as the **Baltimore Sun All Metro Girls Lacrosse Player of the Year**. In only her sophomore year at Manchester Valley HS, her superb all-around play helped drive her team to the Maryland Class 2A State Championship. She finished the season with 94 goals and 43 assists including 9 goals in the Championship Game against Middletown, tying a state record. In the circle, she won 129 draw controls and, on defense, caused 37 turnovers. The Manchester Valley Mavericks went 19 – 0, the only undefeated public-school team in Maryland and were ranked No. 19 in the nation by the Nike/USA Lacrosse High School Rankings. A big D Pier and BYC Congratulations to Emma and the Mavericks!

Congratulations also to **MacKenzie King**, granddaughter of Janet and Frank Sauer, who graduated from Maryvale this spring. Mackenzie will be attending Duquesne University Nursing School in the fall.

Cruises to distant ports are always a special adventure. Steve and Susan Carnaggio should have some good stories to tell about their run in SEA ADDENDUM to Ocean City, MD (as of this article, set for 1 – 8 July).

June on D Pier found a lot of boats missing as their captains headed out, bound for the "Liars and Cheaters" Fishing Tournament. When they came back, it was plain that a great time was had by all. Asking the participants who won resulted in a lot of answers, but not much clarity. I am advised by Frank Sauer that, despite what the "Legend" Andy Adkins says, he did not win the "Liars and Cheaters" fishing tournament. To the best of what I can gather, Chris Wooten unseated Wendy Sauer and Brian Sauer, winners of last year's tournament. Scott McClure was able to find the house in which he was staying. Special thanks to Captain Mike, the Toomey's, and Garrett Morris for their annual out of this world breakfast.

After the Tournament, SCRUMPER was notably absent from D Pier. Rumor had it that Liars & Cheaters participants Captain Frankie "Fumes" and "Hit Man" Charlie broke down aboard SCRUMPER due to lack of fuel while returning from the tournament. Perhaps seeking to avoid the Skunk Flag, Frank insisted it was not his fault. Frank reported that, although 2 mechanics initially diagnosed no fuel, his mechanic found a bad fuel pump solenoid and replaced it, solving his breakdown.

Until next time, See you on D Pier!

Sue Island Sue

Meeting the Deadline for the Spray is a rough job, and Summer is upon us already. I can tell you that the group of BYC members that went on the Cruise to Europe are keeping somewhat a tight lip. What I did hear was there was some that won big in the casino, there was some members that issue with the water slide and had to be rescued, and I heard several members saying Washy Washy, Happy Happy to each other.

Opening weekend went off without a hitch. There was dancing under the stars all 3 nights with the Bands outside on the stage. C pier won best decorated pier. Seems like some members didn't listen to me and there was some splashing on C Pier over the Memorial Day weekend.

I can't remember ever seeing the Island view room so packed that some were standing outside listening to the Holding Corp, the Design team and Bridge talk about the Design vote. The final vote is in for the U shape bar and looking forward to 2024.

As I walk the piers this year, it's nice to see a lot of members out enjoying the Chesapeake Bay and other ports around us.

No matter where you are located, I will be watching.

Even Keel,

Sue Island Sue

Manager's Message

The season is moving right along. Fortunately, we have had some pretty decent weather after a turbulent spring. I appreciate everyone's support over Opening Weekend! It was fun hosting the bands outside and really made the 2023 Opening Weekend one that will not soon be forgotten.

After a hectic and busy Opening Weekend, having members and their guests here for the 4th of July weekend was great. The holiday weekend felt like a big BYC Family gathering that was highlighted by Saturday's parade and fireworks. I appreciate the Marine Trades Association of Baltimore County for putting on the Middle River Fireworks display. Their constant support of the Middle River area and Boating on the Chesapeake Bay is instrumental to our community, and we are proud to be allied with them in their commitments.

Soon the Club will start our annual Week on the Island events. While we continue to face space limitations, we are looking to keep a packed schedule. We are moving the Week on the Island Auction to the first Saturday this year. Supporting the auction this year will go a long way to cover the expenses that are incurred with the multiple activities. The membership support of the auction this year will go a long way to making the Week on the Island successful and positively impact our financial results this year.

The vote to finalize the design plan moves us one step closer to construction. We still have a lot to accomplish before the clubhouse is completed. Your continued support of the Club and our events is greatly appreciated!

Cheers,

Scott Lockwood, CCM
