Commodore's Message

As I write this article, it is so refreshing to have spring upon us.... This month, our calendars were packed with activities to celebrate spring, boating season, and friendship.

F/C Steve and Fleetress Michelle kicked off the month with our annual land cruise. The circus shenanigans took center stage as we enjoyed a day of fellowship with our sister clubs. Thanks to all who braved the rain to join in the great circus ride. Your costumes were amazing, and a great time was had by all. Thanks to all who helped out to make the day so special for Pam and me.

March brought our annual slip assignment day. I want to express my sincere thanks to the Bridge, Docking and Slip committee, and Past Commodores who worked to make the the slip assignment process a positive experience for everyone. Thanks also to the Board, who came to the club early on Saturday morning to vote in our ten newest members so the nine regular members could bid on slips the following day.

How great to have 10 new members in one month and a significant number on the board still to be voted. The Membership Committee has been hard at work. To V/C Hiemstra and the Membership Committee, your planning, communications, interviews, and diligence has not gone unnoticed and is paying off. We appreciate you! As we reunite in the coming weeks, everyone should take a minute to say hello to the new members and staff you see around the Island.

P/C Barry Scott and PFL Pat have established a fantastic team that's hard at work to make opening weekend a great time for all. I'm sure our Memorial Day weekend "Under the Big Top" will be one of the "greatest shows on earth" as we bring out the kid in all of us for loads of circus shenanigans. Please don't hesitate to reach out to P/C Barry, if you would like to volunteer or participate in the weekend.

As we approach the final countdown to our grand reopening, I would be remiss if I didn't send another thank you to the Holding Corporation, Design Team, and Management staff for your hard work and dedication to the project. The biggest shout out, however, goes to all of you. The entire leadership team appreciates the memberships' patience, flexibility, and understanding over the last 15 months. In keeping with the Board's commitment that the membership will enjoy the new space before all others, watch your email for upcoming "first look" opportunities you won't want to miss.

That's all for this month, be safe preparing your boats for the season. Pam and I look forward to seeing everyone for the many Sue Island sunny days ahead.

Best Regards,

Commodore Gary Blankenship

Vice Commodore's Message

Hello Captains and Mates!!

I continue to be pleased with the renovation progress and regular updates that Scott Lockwood, General Manager and team have been sharing on social media to help keep us all informed. I would have to ask my older kids who are into this but would not be surprised if Scott is now a big-time social media influencer given some of the more recent material. I hope we see a TikTok soon. 📺 I also extend a huge thank-you to all involved with the renovation and the countless hours of time and energy expended to benefit all of us. It's exciting and I'm grateful for their service.

The Club Operations committee met recently along with Scott, Chef and Rebecca for some preliminary planning opportunities as the club gears up for reopening into the new space. We covered dining area setups, operation schedule, dress codes and policies, pool service, etc. and have a great plan to get started. We will next adjust from there as we learn the new space, what works and what doesn't. We welcome your feedback as the team adjusts and are extremely optimistic given the position of the club and a core staff to help lead the charge!

The Membership committee continues to build membership with the excitement and anticipation of the reopening and the fact initiation fees go up in July. Given we have nothing to really show other than a plan and a promise the results have been more than I could have expected. It remains to be seen when we open but with something to show (and an experience) I can only imagine membership will continue to expand. Please continue to get the word out with your friends and neighbors; most of the activity we rely on comes from word of mouth and past experiences at our club as a guest.

The boat will launch within the next couple of weeks, I hope to see all of you soon!!

Rear Commodore's Message

With slip assignment day behind us, the slip committee is busy working through the temp list. We have a meeting scheduled for the 23rd to get as many boats in the basin as possible. We will also address the lengthy runabout temp list to hopefully find a solution that is good for everyone.

I want to thank the Past Commodores for making slip assignment day a success; year after year, they work hard to make it a smooth running day.

Someone once said love is wonderful the second time around. Well, I guess I'm about to find out.

I was honored by the bridge for asking me to step in and fill the vacant Rear Commodore position for the remainder of the year. Thank you for your confidence.

I look forward to seeing you around the basin.

Fleet Captain's Message

Greetings to all BYC Members and Happy Spring!

Fleetress Michelle and I would like to start by thanking all of the Members who participated in our annual Land Cruise and making it a lot of fun for all in attendance. I wonder if any of the "special" koozies featuring the Commodore and the First Lady are collector items yet? We would also like to thank Bodkin Yacht Club, Pleasant Yacht Club and Middle River Yacht Club for their generous hospitality!

Now that Slip Assignment Day is also behind us our thoughts turn to spring and watching the basin fill back up with boats. We also have several other activities planned for the balance of March. First and foremost is another annual rite of Spring, our annual Sock Burning Party which will be held on a Sunday afternoon this year, March 24th. That will be quickly followed by the Childrens' Easter Party on Saturday, March 30th and Easter Dinner on Sunday, March 31st.

Hopefully by now everyone is aware that the week cruise, set for July 13th – July 20th is open for registration on Dockwa. As a reminder we will be going to Spring Cove on Solomon's Island, Herrington Harbor South and the Bay Bridge Marina. We encourage everyone to book ASAP. Our weekend cruise is also set for August 23rd and August 24th at St. Michael's Marina. Anne is currently accepting reservations as well so please give her a call. If you need her contact information, please let me know. Finally, details will be coming out very soon about our Frostbite Cruise on October 6th to Harbor East Marina. That weekend should be a lot fun in Baltimore since it coincides with the annual Fells Point Fun Festival and there's also the possibility of a home Orioles playoff game and/or a home Ravens football game.

The Fleetress and I are also busy booking the entertainment for this summer. If there is a special band and/or DJ that you would like to see at the Club this year, please let us know. Many members have already let us know about bands that they would like to see this year and we very much appreciate the Members' input.

We have also been approached by some members who would like to participate in special themed dinners, parties and happy hours. We welcome the ideas from the Members, and more importantly, their willingness to help. We're trying to come up with new ideas for this year, especially while we are still constrained with limited facilities. Speaking of which, the new Clubhouse should be open in the near future. In addition to looking amazing, it will give us so many more options for special events in the later part of the year.

We hope that everyone has a great Easter and we hope to see everyone around the basin soon!

Regards,

F/C Stave and Fleetress Michelle

Mates President's Message

A friend of mine summed up the weather lately like this:

Winter and Summer are having a custody battle over Maryland! Hopefully summer will win and warmer weather will be the forecast.

I wanted to thank everyone who placed orders through the first Mates Pop-up Shop making it a huge success. The feedback we are receiving has been very positive and your support is greatly appreciated. As a reminder, your orders will be shipped within 2 weeks of the Pop-up Shop closing date which was 03/17/2024. We will have another Pop-up Shop with different items available probably in June, so be on

the lookout for the notifications.

Thank you again for all your support!

A & B Pier Report

Happy Spring everyone!! What amazing weather we have been having, making it easy to get our boats ready for the 2024 season!!

Welcome to all of the new A & B pier folks!! Hopefully we will get lots of opportunities to do some docktail parties this year and get to know each other!!

Dave and Debbie Amspacher recently left on a trip of a lifetime. Their first leg was to fly to Sydney, Australia. During their trip they will be taking not one, but two cruises. Debbie has promised to check in with me along the way so I can share their adventures with everyone.

If anyone has any news they would like to share, please do not hesitate to drop me a note at patmeredith2002@yahoo.com or stop by Done Deal at B-18!

Until next month, wishing everyone a great spring!!

C Pier Report

As I stare into the fog through my rain-splattered window, I can't help but think of the daffodils I saw bobbing their sunny heads on the side of the beltway this morning. Spring is coming!

The February membership meeting was all aglow with the tanned and sun-kissed faces of those returning from the South after their much-anticipated winter trips to Florida. C-Pier had quite the turnout in the Keys this year. Shari Zakielarz spent about six weeks in the Sunshine State and had a plethora of guests from BYC to help keep her company: Kevin Nevel, Kim & Ed Bosley, Dave & Colleen Lambdin, and Darlene Smith all rotated through to share a cocktail (or two) and soak up some vitamin D. The Lessners and Ortman were also able to make a brief detour from Key Largo to spend some time in Marathon with Shari. Their collective return promises to bring with it warmer temperatures and fond memories. We can't wait to hear all the fun stories and share in the continued shenanigans.

In keeping with Florida stories, I learned that Becky Johnson spent a few days in Naples competing at Naples Tables. As someone who loves to entertain, this tidbit caught my attention. Naples Tables is an annual fundraising event showcasing unique tablescapes created by interior designers and other "imaginative" individuals and businesses. The program raised over \$1million to benefit non-profit organizations throughout Florida, including AVOW Hospice, Boys & Girls Clubs, Children's Home Society for Florida, American Red Cross, and many, many more. I can't wait to see how Becky's team did! Check out their website and some of the tablescapes from last year at www.leagueclub.org/naples-tables. 2024 event photos should be loaded to the site soon.

Emory and Juanita Harshman will be taking their "little boat" down to Florida for a month from Mid-March to Mid-April, with a stop along the way in North Carolina to visit with their kids. We wish them safe travels and fun times. Juanita is fully recovered from her hip replacement and is doing unbelievably well. Congratulations, Juanita, for bouncing back so quickly! You are an inspiration.

If you have a slip on C-Pier, and you're not a member of the C-Pier Face Book page, please look it up, and ask to be added; or let me know and I can send you an invite. This is a great tool for communicating information for Opening Weekend, cookouts, etc., so please join in.

The Mates are trying something new with apparel sales this year. If you've not seen the pop-up shops they're holding on-line, take a look at the BYC Facebook Page, or check your emails. They'll be doing several pop-ups throughout the season. These sales events are in addition to the traditional items we always have for sale in the Clubhouse. The items sold through the pop-ups may change based on requests and popularity, so keep an eye out!

C-Pier needs to send a big shout-out to Megan Howie and Lori Ostendarp. Megan has agreed to be our C-Pier Captain again this year. She could use some help, so if you're interested in lending a hand, please reach out to her at meghowie23@gmail.com. Lori has agreed to chair the Opening Weekend pier decorating committee. Thank you both for your time and effort! Look for information on the Opening Day Breakfast, coming soon!

CCC's 2025 planning is already underway! The theme will be Las Vegas, and BYC is doing a Viva Las Vegas Elvis Wedding Theme. LOL! I can't wait. If you have ideas, or would like to help or contribute, please look for invites to attend upcoming planning meetings.

If you have any fun tidbits you'd like to share, or if you would like to share recognition of someone else's accomplishments, please reach out to Megan Howie or me. We'd love to write about it!

That's all for now! We look forward to seeing you all on the boards. In the meantime, stay safe and B... YC Happy!!

Cheers!

D Pier Report

Ahoy D Pier and BYC Shipmates!

Exciting times! Boating Season is just around the corner and (fingers crossed) we will all be enjoying a newly renovated clubhouse soon. It really hits home how important a fully functional clubhouse means to the club when you go without it for so long (especially during boating season).

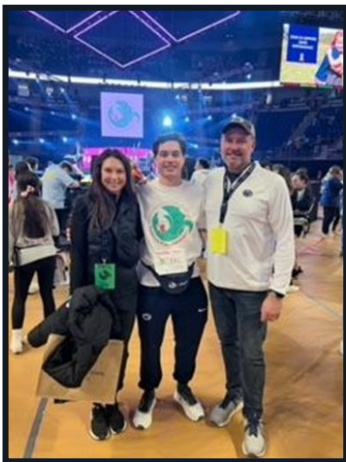

A big thank you to Sylvia Stump for a fun "BYC South" Sunday brunch in February at Isles YC in Punta Gorda, Fl. Many current and past members have places in Florida and February often finds others visiting the area. It was a great opportunity to catch up with summer boating season BYC friends and those who have moved away from Maryland.

A Big D Pier Well Done goes to Tom and Michelle Flowers' son Owen, a sophomore at Penn State University, who participated in THON the weekend of Feb 16-18. THON is a 46 hour, no sitting, no sleeping dance marathon! An unbelievable physical and mental achievement. THON is the largest student run philanthropy in the world which raised over \$16.9 million this year for pediatric cancer research and the Four Diamonds Fund at Penn State Hershey Med Center ensuring no family has ever and will never see a medical bill.

Congratulations to Cort Hopkins, son of Beth and Frank Hopkins and grandson of Janet and Frank Sauer. Cort recently competed in the 2024 Maryland State Swimming Championships held at Saint Mary's College Maryland. He qualified in two events. He was seeded 12th in the 50 yard breast stroke and finished in 5th place and in the 100 yard breast stroke he was seeded 9th and finished 5th. Cort is a 4th grader at McDonogh School and is a member of the Eagle Swim Team coached by Scott Ward and

Claire Custance. Cort's ambition in the near future is to surpass his mother who swam breaststroke and was captain of the swim team at Washington and Lee University.

Until next time, See you on D Pier!

Kilroy

Not much to report this month but did observe, right after one of our mini snow events that PC (now RC) Mike Bruns' isinglass was rolled up!! The entire bridge was wide open!! Better get that boat buttoned up before the heron start looking for places to build their nest!

The entire bridge really came through for the land cruise! Costumes were spot on and everyone really got into the circus theme!!

Not much to report this month. Everyone has been on their best behavior, making my job really hard!! Until next month...

Kilroy will be watching!!

Sue Island Sue

Sue Island Sue can't keep up with everyone. Seems like a lot of members are partying it up in Florida. As our club house is starting to take shape.

Trivia was fun. Seriously, are the winners truly the real winners? There was a lot phones out while figuring out the answers before turning in the paperwork. While other tables would not allow cell phone on the table at all. The Rules clearly state no cell phones out, GOOGLE was not one of the contestants.

Sue Island Sue has a confidential source that John Gephart was seen on the Island, walking down D Pier without any walking aids after his fall off his little boat in the Fall. Sue Island Sue is not sure who is on the SKUNK flag nominating committee, but I think John might be in the running again.

Sue Island Sue would like to welcome our newest Rear Commodore P/C Mike Bruns. What were you thinking? Are you sure you want to do this again?

Sue Island Sue always looks forward to BYC's 2 biggest social events of the season. These events always seem to get everyone geared up and getting their boats back into the Basin. First, is the Land Cruise. Lions, Tigers and Bears, oh my. Wait, I think we had several Ring Masters, several Lions, a Giraffe (PC Keith) and a Fortune Teller (P/First Lady Sam) instead. In the animal kingdom, Lions do attack, ambush, hunt and Kill adult giraffes, which would explain why our Lion, VC Eric was walking around with a giraffe head asking if anyone seen PC Keith. The rain didn't seem to stop the BYC Land Cruise Circus from visiting Bodkin Yacht, Pleasant Yacht Club and Middle River Yacht Club.

The second is our Slip Assignment Day. Sue Island Sue welcomes all our new members that have migrated from Maryland Marina, Gunpower Cove Marina and Long beach Marina. With that being said, I notice there was a table of the new members, and they were all anxious to turn in their bidding slips, and they were having fun bumping each other out of slips. As usual there were some lower numbers moving around and fun watching them bump others out of slips. In the meantime, Fun 4 US was having so much fun in California, the Captain forgot to send in his slip contract and had to rebid on his slip. Looking forward to walking the piers to see who moved slips and/or piers as well as new members.

Manager's Message

With every passing day, we get closer to boating season. However, this year, more importantly, we are getting close to the reopening of our clubhouse!

March is an important month for Baltimore Yacht Club, as it is when we host the annual Slip Assignment Day. This year, we faced the challenge of limited space, but we persevered and held the event in the Island View Room. I am grateful for the understanding and support of our members as we accommodated the event in such tight quarters. Additionally, I want to express my appreciation to the staff for adapting to our temporary space as we enter our busier seasons.

We will be wrapping up March with our Easter events. On Saturday, we will be organizing the Children's Easter activities. To ensure we can accommodate as many people as possible in the Island View Room, we are offering two separate seatings. The Egg Hunts for each seating will take place in between the two seatings. On Sunday, we will be hosting Easter Dinner. We are excited to welcome and celebrate Easter with our members and their families. We also wish everyone else a happy and safe holiday.

We are hopeful that April will be our final full month before reopening the clubhouse in May. Although there is excitement about the reopening, our team understands that it will take some time to become familiar with our new surroundings and work areas. As we will be opening just as the season begins, we kindly ask for your continued patience and understanding in advance. As we all experience the new clubhouse, we welcome your feedback and suggestions on what you like and what you would like to see, as we strive to make the most of the new clubhouse and atmosphere.

Cheers,

Scott Lockwood, CCM
