Commodore's Message

It has been a long bumpy road, but First Lady Sam continues to drag me towards the finish line. I want to thank everyone who contributed to a very successful Commodore's Ball. The creativity of the members who decorated the club and those who took our theme, Guitars, Tiki Bars and a whole lot of Boats, hit a grand slam. Thank everyone so much! There are so many nice people at BYC we both feel extremely fortunate to be able to serve all the members in the upcoming year.

The Halloween party was a huge success. Sherri, Robin and that weird scary maid guy Ed, did a heck of a job their first time chairing an event. Steve Klima, the MUSICMAN, kept everyone on the dance floor until it was time to close and shutter the doors. The song, Proud to be an American, wrapped up the evening on a high note. The costumes were varied, and some were right on the money for the personality. My favorite and most like the real person was "The Devil" Ed Bosley. He followed me around all night, bought me drinks and, _____, well I leave it to your imagination to fill in the blank.

BYC is looking towards a fabulous fall and spring season followed by the best summer on record. I have been approached to bring back some tried-and-true events as well as a few new ones. I will be looking to put together a special committee to initiate an "Old Fashioned" Fourth of July for 2023. If you have any interest, please let me know.

The BYC Bridge is completing their committees and they will be out after the Board Meeting on November 11th. The committees are going to assume an increase in responsibilities and each chairperson will report to a Bridge Officer. The plan is to stop things from falling through the cracks. As a Bridge member our responsibility is with the members. Please help us be successful by letting us know what we can do for you. I promise we will all do our best to "get er done".

I assume you have fallen asleep or went onto another much more interesting article by now, so goodnight, Gracie. The old people knew who Gracie was and the youngsters could care less. See everyone at the World-Famous Casino Night and Bull and Oyster Roast Chaired by our Rear Commodore Eric and Lady Tristan aka the "Dynamic Duo".

Thanks,

Commodore Keith

Vice Commodore's Message

With a new yacht club year, comes the opportunity to take on new roles and responsibilities. This year I look forward to the challenges of the "top of the hill" with Club Operations being a big focus of my Vice Commodore position. As always, I welcome your club operations thoughts, especially if your feedback includes positive, constructive ideas about how to improve on any praises or criticisms you have. This year the Operations Committee will meet on a set day and time each month which will be announced in the near future. Anyone wishing to submit suggestions to the Committee should provide me your comments prior to the soon to be published monthly dates.

As Chair of the Membership Committee, I'm pleased to report that membership applications remain strong. Be sure to welcome our members when you see them around the clubhouse grounds. Be on the lookout for new member photos on the bulletin board across from the bar in the near future.

I'd like to congratulate Commodore Keith and First Lady Sam for a great ball and wish them, and all our new Bridge and Board all the best as we work together to ensure our little piece of paradise remains the Best Yacht Club on the Bay. Last but not least, thanks to each of you, our members, for your confidence in me and for your support for the Baltimore Yacht Club. Pam and I wish you all a Happy Thanksgiving and hope to see you around the club for the many fun club activities planned this month.

Regards,

Vice Commodore Gary Blankenship

Rear Commodore's Message

As we are entering the winter months, I would like to remind anyone who is removing their boat from the basin for the winter to please inform our Marina Manager of your departure so we can note our records. If you intend to leave your boat for the winter, please let us know so we may update our lists for this as well.

In addition, as announced through email by the Club, our weekly updates and at our membership meeting, we are not having a Pier Winterization Day this year. Historically, we have filled our water lines with antifreeze to keep them from freezing, however, this year we will be trying another method whereby we blow the lines out with air and use a small fraction of antifreeze and labor. This decision was made in part due to the inflated costs of antifreeze this year and is on a trial basis. We expect the savings to be ~\$3,000 which will help to create a favorable to budget line item or a reserve for items later in the year which we could not have anticipated.

Lastly, I would like to help you in any way I'm able while serving you as Rear Commodore. My areas this year are primarily the basin and the fuel pier. If you have any suggestions or ideas for improvement in these areas please let me know and I will bring them to the committee. If it is an area outside of my oversight, I will relay the item to the proper place. Your feedback is important, and we value your comments. This is your club, and we are here to serve the membership.

With the Holiday Season right around the corner, I'd like to wish you and your families a Happy Thanksgiving. I hope to see many of you at Trim the Clubhouse and Lighted Boat Parade events at the club Thanksgiving weekend.

Sincerely,

Eric Hiemstra

Fleet Captain's Message

Hello BYC Members!

It is hard to believe the road that led Jan and myself to BYC as 70's dancers, Herman & Lily Munster, and Beetlejuice & Lydia has also taken us all the way to Fleet Captain and Fleetress, but here we are!

We have quickly learned that the BYC family-oriented culture is part of what makes BYC so special! We hope to make the upcoming year exciting by filling it with great entertainment, cruises, and memorable BYC events!

So far, the events we have been a part of have been amazing! Fleet Review Day and the Frostbite Cruise to Fairlee Creek went smoothly and although Jan was under the weather for the Frostbite breakfast, we are so grateful to those who were able to just jump right in and help in her absence for which we must say thank you! It is truly moments like these that confirm BYC is a great club whose members take care of members!

The Commodore's ball, which was our second to attend, was put together so well and the cool night air, combined with an up-beat band, made for a very memorable evening. Soon after the ball was the Fall Festival, which brought out lots of smiling kids, great costumes, a perfect day of sunshine, and a great turn out for trunk or treat. I'm not sure how we will top Beetlejuice for next year, but Jan's wheels are already spinning, I'm certain. The Bull & Oyster Roast with casino night also was a great success! Hopefully Jan saved enough money to buy me a new costume!

Through the upcoming months, we are planning for some great events at the club to help pass the wintertime and in preparation for all the boats to come out of hibernation in spring. We hope to continue to see members at the winter functions, which is a great opportunity to stay connected through the winter months, so the time passes quickly for the first big spring event to arrive, which is the Land Cruise in March!

Remember for all events, it's important to register early to ensure your spot! We hope to have a great turn out for all BYC events, and we are looking forward remaining connected through the winter in hopes it will pass quickly!

In addition, we welcome any suggestion for events, music, or general ideas for the upcoming year. We know it takes more than just Jan & I to make the events successful, so we want to thank all Chairpersons, members, and especially Eric and Tristan for continuing to book amazing bands for the upcoming year and providing us with their BYC knowledge! We encourage members to approach us with any suggestions or ideas you may have. Maybe I will be in costume that day, or maybe I will only have my low heel shoes on, but either way, we would love to hear from you!

Jan & I also want to thank the "behind the scenes" teams & staff at BYC for all they have done to make events, meals, and the grounds so welcoming! In addition, a great big thank you goes out to all who have offered not only to help with our role, but who also have offered a place to crash during the months our boat is in hibernation.

We will keep everyone updated on upcoming events and we look forward to a fast winter and boating season in spring!

Mates President's Message

First of all, I want to thank everyone for putting their faith in me for another year as Mates President. I will do everything in my ability to fulfill your trust. We had our Installation of Officers on Friday, October 7th and our ceremonial Installation at the Mates brunch on Saturday, October 15th. The brunch was a wonderful time and executed very well by the kitchen and dining room staff. I want to thank the Commodore, Keith Lessner for doing an outstanding job for the Installation ceremony. It was such a good time and I appreciate every single person who attended.

I'm so excited with all the new members that have recently joined, helping make the Mates a stronger, more vibrant organization in our pursuit of community aid and our goal of making Baltimore Yacht Club an even better Club than it already is.

We're continuing to collect home goods, coats and school supplies so that P/FL Patty Garey, who is spearheading the effort, can deliver this goodwill to local schools and shelters in an effort to make our community a better place for all.

P/FL Deb Penczek is collecting non-perishable food supplies to be delivered to the Maryland Food Bank throughout the year. Please contribute as you can and drop off goods in the alcove outside the office.

P/FL Patty Garey is again chairing our contribution to the Salvation Army Angel Tree program. Last year we had 160 toys donated and would love to significantly surpass that impressive amount this year. Without our and your help, there will be many children and families that will not experience the joys that Christmas can bring.

On Saturday November 19th, the Mates are sponsoring a fundraiser to help all you gents with your Christmas shopping. Yes, it's the Mates annual vendor fair, organized by Past President Lori Ostendarp. At this event, the Mates will also have a table selling BYC emblazoned clothing and goods. As always, you can order personalized items with your name, boat name or maybe even your dog's names embroidered for posterity. The perfect gift for those who have "almost everything"!

I'm so excited to begin my second (and last!) year as Mates President. Our membership has increased this year but we still need to grow more. Please consider joining in our effort to make the world, including BYC, a better place. Remember, you can attend a meeting without obligation to find out what we're all about. Our membership meetings are held the first Friday of every month at 8:30pm, in the Island View Room. Upon request, we can do hybrid meetings (Zoom). Please contact me or any Mates officer in advance for information.

I want to thank everyone for their help and participation. I also want to thank the Bridge for their support in our efforts to make the Club everything it can be. Working together, we can make this the best year ever! Let's all enjoy everything Baltimore Yacht Club has to offer.

Warmest regards,

Ruthie Fuller
President

Princess Zoe Message

First Hello Baltimore Yacht Club Members,

The season is off to a bright start! Our Commodore Keith Lessner and First Lady Sam did a wonderful job organizing the 83rd Commodore's Ball—and I'm super excited to see all the fun things they have planned for the club this year! Thanks to Fleet Captain Scott DeLong and Fleetress Jan DeLong, the Fall Fest was a success this year: with hay rides, pumpkin carving, the Moon-Bounce, and the costume contest for all the families in attendance. I loved being able to see all the smiling families running around the island in their costumes! Thank you to everyone for your support in the club. The Bull Roast/Casino Night was quite a spectacle, congratulations to all the basket winners! I'd like to thank my mom for her dedication in creating

all the beautiful baskets that went into the raffle. If only I'd won one! Thank you to all the attending members, and I can't wait to see what this season brings for BYC!

I am currently in the process of bringing back a Youth program for the club. This program used to be a very integral part of BYC's community, and I believe bringing back the smaller hangouts/get-togethers for our children and teens at the club will help to connect everyone, so they can grow up and continue our traditions that make us stand out from other yacht clubs throughout Maryland. Apart from this program, I am also working with my Commodore and other members of the club to put together some fundraising opportunities for my charity, CASA (the Maryland Court Appointed Special Advocates Association for Children). CASA is a private, non-profit 505(c)(3) organization created in 1997 that helps to ensure every abused and neglected child in the state of Maryland has a secure, permanent home where they can feel safe. This charity stood out to me because I've grown up very privileged to be brought up in a family where I am supported and loved, while these children involved with CASA go home each day, worrying whether they are going to be physically and mentally abused in a place they're supposed to feel safe. Our children are the foundations of society who will grow up to make a difference in the world. Without proper funding, CASA will not be able to go about helping as many children as possible. For these reasons, a meeting will be hosted by Commodore Keith Lessner to put together a Calendar starring members of our club in attendance. The proceeds made from selling this calendar will go entirely to CASA, so they may help these children reach safer homes.

Sincerely,

Princess Zoe Hiemstra

NEW LIFT IN USE!

A & B Pier Report

Well, the 83rd Annual Commodore's Ball has passed and the weather is getting chilly (well, at least most days) so it's time for many boats to come out of the water for winter storage. Some hearty sailors plan to stay in a bit longer. Fall is such a fantastic time of year for boating and especially sailing!!

Pete and Polly Alatzas on For Pete's Sake come out, right on schedule, the second Monday in October!

Dave and Debbie Ampacher on Journey left for Florida as planned. They plan to winter over near St Augustine. Debbie will keep me posted on their journey, so I'll keep you all posted!! PC Barry and I plan to visit with Dave and Debbie while we are on our planned road trip in February.

If you are out and about in the basin in the next few weeks, check out the John G.Martin garden at the end of B Pier. It has new flowers, mulch and a lovely potted plant. Hoping to replant with summer flowers in the spring.

I hope everyone enjoys the rest of their fall, it's such a beautiful time of year!!

Until next month.....

Pat Meredith

C Pier Report

Ahoy, BYC peeps! C-Pier is extremely proud to have produced, yet another Bridge member!! Congratulations to our new Fleet Captain, Scott DeLong, and his Fleetress, Jan. We wish you a successful and fun four years!

Our very own Joyce Lortz won 1st place in a Pickleball tournament at Baltimore County local courts! Way to go Joyce!!!

The Club's frostbite cruise was well represented by C-Pier despite the nautical weather, as was the Rock Hall Oyster Festival. Fall boating at its best!

George Harrison, Kevin Nevel, and Michael Cox were the Club champions at the BYC Past Commodore Bob Rueter Annual Golf Tournament, for the 2nd year in a row! Incredible! Congratulations, guys!!

Dean and Susan Fisher, ever the travelers, took a river cruise on the Mosel and Rhine Rivers. They began with three nights in Paris, followed by a seven day cruise into Belgium and Germany, and ending in Switzerland for four final nights. They've been comparing river cruising to their 17 ocean trips. By mid-trip, they had concluded that the food is excellent, the service personal, and the cabin was quite nice. Sounds like river cruises get the thumbs up, all around!!

Thank you all for your contributions and for sharing!

If you have a fun tid-bid, a personal or professional announcement or milestone, or anything you'd like to share in the next C-Pier writing for the Spray, please email me at Julie.Bertoldi@gmail.com.

Cheers!

D Pier Report

Ahoy D Pier and BYC Shipmates!

I am sorry to report that, due to recovery from Hurricane Ian, Sylvia Stump will not be organizing a BYC South Winter Gathering this winter. Their place in North Ft Myers suffered significant damage, but the Stumps are otherwise doing OK.

The destruction in Florida due to the Hurricane has been well reported, but it is striking to see in person what happened in places that otherwise “did well”. A month after the storm in areas like Port Charlotte and Punta Gorda, street signs and business signs are rare, debris is piled outside homes and businesses, wrecked, sunk, and beached boats are common, vegetation and trees are stripped and broken, and many roofs are tarped. With this month’s article, I included a few photos of things Kathy and I saw around the southwest Florida area.

Congratulations to P/C Wayne Penczek, who was chosen as Honorary Commodore for the 2022-2023 year. This title may go to any member of the BYC and signifies a person who has provided years of dedicated service to the club, especially outside of any official position. As many on D Pier know, after Wayne’s time as Commodore, Wayne and Debbie have continued to be heavily involved in helping the club be fun and successful.

Happy Thanksgiving (and don’t let P/C Andy eat all the turkey)!

Until next time, see you on D Pier.

Joe Hellner

P/C Mike Bruns Club Historian

Ahoy Crewmembers

Congratulations to Commodore Keith and First Lady Sam and thank you for this position as Club Historian. In recent years we have been very fortunate to pick up many new members and as much as we have tried to give them some background about BYC there really is more interesting history and fascinating stories that need to be told.

This wonderful island we all call home in the summer is the result of many painstaking efforts by members from long ago and some from not so long ago.

They were a hardy cast of characters, some legendary, to say the least, and you would be surprised to learn how much we have in common with them.

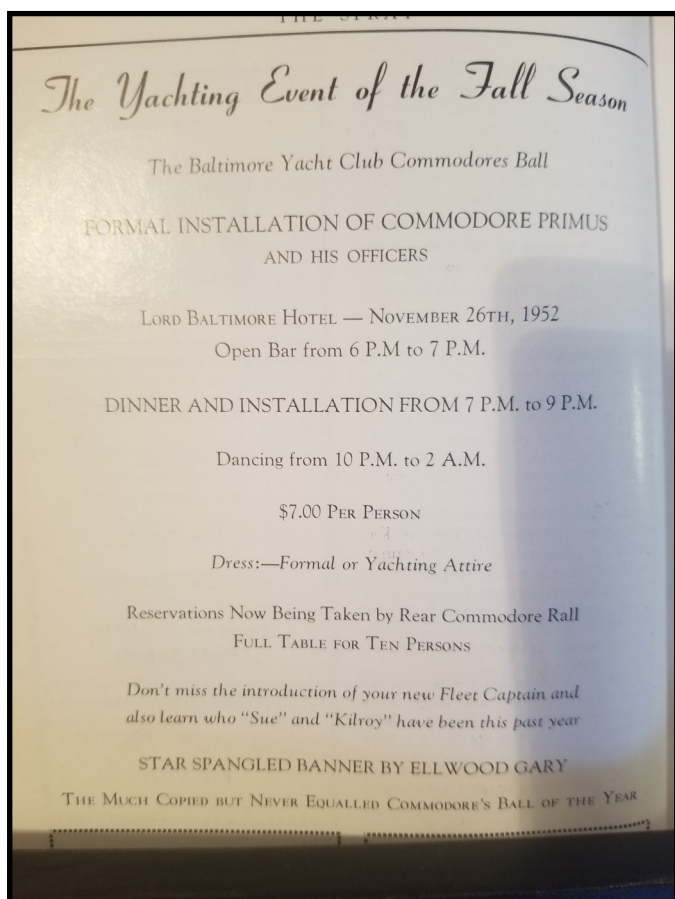

Each month in the spray and on the club's Facebook page, I will share with you stories from the past, from spray articles from the 50s, 60s, and up to the present day.

Stories about the original club that was downtown and stories about the beginnings of Sue Island. There are many things we walk past every day in our club and don't know that they are there or the story behind them.

Like Rover, the BYC mascot whose gravestone is behind the dock house at the top of the steps behind reed bushes or the Thau Bowl in the showcase, this prestigious award was inspired by Henry and Sophia Thau. Who were they and what was their contribution to the BYC? A personal favorite of mine the monument stone on McCollom Point, which was Captain Robert J McCollom (Cappy as we all called him). So many accomplishments, so many characters, so many stories, myths, and legends. Each month we will bring you a different story so we can all know the colorful history of this great place we all share. If anyone has anything from the past you would like to share just email, text, call or just walk up to me and say, hey Mike, look what I got. And always remember,

The Sun Always Shines On Sue Island!

P/C Mike Bruns Club Historian

THE SPRAY			
OUTLINE FOR PROPOSED BUDGET			
BALTIMORE YACHT CLUB			
Fiscal Year October 1, 1952 to October 1, 1953			
ESTIMATED REVENUE

Manager's Message

I would like to thank everyone for supporting the Commodore's Ball! As many might have noticed, I was not at the Club for the Ball this year. In the days before the Ball, I tested positive for Covid, and I am grateful for the many thoughtful well wishes I received. I am appreciative to the staff that executed the ball in my absence. The efforts of Rebekah and Donnie were on display the night of the Ball but leading up to the Ball, I relied greatly on Lola, Samantha, and Chef Zach to help organize the planning during the week. Baltimore Yacht Club is a special place and the support of the membership and staff as a family keeps us bound together. Again, thank you for your support of the Club!

We start November with our annual Bull Roast. Last year we grew on the positive results of prior years when we changed to a Casino theme. The Club is again focusing on a Casino theme, and our experiences from last year will help us make some small changes to help the layout and flow. Later in the month, we will start our holiday season festivities with our Thanksgiving Dinner, which will lead us into the weekend of the Christmas kickoff starting with the Saturday, November 26th, Trim the Clubhouse and Middle River Lighted Boats Parade. Our holiday events often sell out, so please make sure to keep an eye out for when registration opens.

Over my years at the Club, we have grown our offseason hours and activities. While the Club takes on a different feel with the basin and pool shutdown, our clubhouse and team will remain active. Our team looks forward to welcoming everyone over the offseason, and I encourage you to stay connected through our Membership Facebook and Instagram account to see what specials might pop-up!

I wish everyone a safe and Happy Thanksgiving!

Cheers,

Scott Lockwood, CCM

Happy 70th Anniversary
