Commodore's Message

In my first spray article as Commodore, I'm pleased to report we began our 85th Anniversary year, and this Thanksgiving season, with much to be thankful for.

We enjoyed a great ball event at the Boumi Shrine Temple. We didn't have any elephants, but there was a bearded lady, circus music and a bunch of overdressed clowns running around. Add to that fabulous food, liquid libations, a rockin' dance floor, and a room full of fun friends and a good time is a sure bet.

Many of you may not have been aware, but I was surprised and humbled to have Past Queen Mia Sokol attend the ball and Past Queen Gabby Kastrunes send very thoughtful well wishes to support my year and our Club. These two ladies served as Queens during my time as Commodore of the Chesapeake Commodore's Club. But wait there's more... as icing on the cake, our own Princess Kendall, with six other Princesses in attendance, knocked our socks off with a speech that made me the proudest officer in the room. My sincerest appreciation to all of you who attended and very special thanks to each of you who worked so hard to assure the event went off without a glitch. I couldn't have asked for a better night and am thankful for the many fond memories we shared.

Our club renovations are under way and the entire yacht club team has managed to keep our club calendar packed with member activities and events, despite the inevitable challenging construction requirements. As the project progresses and excitement builds, members are reminded to resist the urge to "just take a peek." The closed areas of the club are a construction site and not safe for the membership to randomly walk through. Let our contractors do their work so they can complete the project as expeditiously and safely as possible. Thankful to have the project underway!!

I am also personally thankful for our new officers and Board. As "the old guy" on the team, I'm honored to be surrounded by so much new talent. I'm also encouraged to see so many new faces interested in leading our Club into the future. As a reminder we have four candidates to choose from to fill our two open Board positions at the upcoming General Membership Meeting. With all these fresh ideas and enthusiasm, I have confidence that the future of the club is in good hands.

Our mates do an amazing job working to assure those less fortunate in our community have a bright future ahead as well. It was amazing to watch PFL Patty Garey and the rest of the Mates team recruit volunteers for every one of our children angels and collect endless supplies for our local shelter, all in one General Membership Meeting night. Mates, your giving spirit makes BYC an important part of the local community. We appreciate and thank you all.

Pam and I hope to see many of you at Thanksgiving Dinner and other upcoming club holiday events. We are thankful for your friendship, grateful for your support, and wish you and yours a happy, healthy Thanksgiving season full of gratitude and thankfulness.

Best regards,

Commodore Gary Blankenship

Vice Commodore's Message

Hello Captains!!

I hope everyone is having a great November! For us it has meant pulling the boat and saying goodbye to the season while now gearing up for the Holidays. Not to mention playing catch-up on everything that was put off for the full boating season which has grown to a mighty list.

We are looking forward to the upcoming year and seeing the clubhouse renovation take shape which is sure to please. The Holding Corp and Design Committee continue to spend countless hours bringing your wishes together as thoughtfully as possible. With the demolition underway, the permits secured, contracts signed, etc. a lot has been happening lately in a small window of time. I am confident it will seem that in no time at all from now we will have a classy clubhouse and a great excuse to have a party! ☺

To help make the year a success the various committees have all been formed and approved by the Board of Governors at the last meeting to resume the business of the club. We would definitely appreciate if anyone had reflections on the past year and what they would like to see for the upcoming year. Please pass the information on to the appropriate committee(s) so your voice is heard. The last page of The Spray lists the various committees along with the members to reach out to or any Officer or Board Member. We are always happy to listen and truly wish your experience at BYC lives up to its name!

I hope everyone has a great Thanksgiving!!

Best regards,

Eric Hiemstra

Fleet Captain's Message

Greetings to all BYC Members!

Hard to believe it's November already. The basin is quickly losing boats, including the Blue Heaven II, which is now tucked away for the winter. As the club begins its new year there will be no lack of challenges, and opportunities, in the year ahead.

To coincide with the Club's new year the long anticipated remodeling of the Clubhouse has finally begun. While that's obviously great news it brings its own challenges due to the significantly limited facilities for the Members to enjoy for the foreseeable future. That means that most of our signature events will be, or have already been, impacted, some significantly. That obviously includes the recently held Bull & Oyster Roast. Typically one of the largest fundraisers for the Club, we were limited in seating so we couldn't mail out tickets like we have in the past, nor could we accommodate a band or DJ or have the casino games. Another signature event, the Lighted Boat Parade sold out quickly, disappointing those who have enjoyed that venue in the past. This is just a prelude of what to expect in the coming months.

As he has done since last winter, Scott Lockwood is doing an outstanding job working with the situation he has been given. The first six months of this year will be very challenging for Scott and his staff as they will be limited to the Island View Room only. As such, I would like to ask everyone for their patience as we all work together to provide the club atmosphere, service and events that everyone has come to expect from BYC.

To that end we will be thoroughly analyzing each and every event going forward to make certain that we are able to still provide a quality event in the limited confines of the Island View Room while still making the event profitable for the Club. Just to reiterate that means that most events, if we are still able to hold them, will most certainly be different from years past.

Okay enough of the depressing news! Once we're able to limp through the winter months things should be vastly different at BYC once spring arrives. For the second half of our year we should all be enjoying a remarkable brand new clubhouse! This will present the opportunity to host new events that have never been held at BYC. We will be able to showcase the best Clubhouse on the Chesapeake to our members and their guests and the other clubs on the Chesapeake.

Last, but not least, I would like to take the opportunity to wish everyone and their families a very Happy Thanksgiving and all the best during the upcoming Holiday season. I would also like to thank everyone for letting me have the opportunity to serve as your Fleet Captain during the '23-'24 year!

Thank you,

Steve Rieger
Fleet Captain

Mates President's Message

Greetings BYC,

It is my pleasure to serve as Mates President once again. I thank the mates for their confidence in me and their continued support along with the support of Commodore Gary and the bridge officers.

On behalf of the Mates I would like to thank everyone who adopted a Salvation Army Angel this year and to date ALL of the angels have been adopted. If you were unable to adopt an angel but still want to support the Salvation Army you are more than welcome to purchase toys for either boys or girls and we will make sure our contact at the Salvation Army knows these are extra gifts for the siblings of the angels or for unadopted angels we were not given on our list. There is always a child who needs a Christmas gift and most times this is the only gift they will receive. Please bring your wrapped gifts (make sure to write on the gift who it's TO and FROM) to the General Membership Meeting on Friday, Dec 1st. Patty Garey will be there with her Santa helpers to collect the gifts. If you bring an extra gift please wrap it and let Patty know if it's a boy or girl gift so she can keep them separated for distribution to her contact at the salvation Army when the other gifts are dropped off.

There is an ongoing need at the homeless shelter the Mates support for the following items:

Blankets
Towels
Wash Cloths
Bath Loofahs
Pillow Cases
Crib Sheets
Soap
Tooth Brushes & Tooth Paste
Travel size shampoo, conditioner & lotions

Please continue to bring these items to the club throughout the winter months, there is always a need. Near the Mates display case is a gray bin for smaller items and you can leave the larger items in the general area of the Mates display case for Patty to pick up. Please check the weekly update for immediate items needed as well.

Wishing everyone a very Happy Thanksgiving as we celebrate with family and friends.

Lori A. Ostendarp
Mates President

A & B Pier Report

Well, I can truly say most of our boats have now been put to sleep for the winter!! It is very weird being on the piers this time of year!!

PC Barry Scott did an amazing job as MC for Commodore Gary and First Lady Pam's ball! Joe and Paula Johnson joined in the fun too!! Hopefully, we will have even more folks attend the ball next year!!

Congratulations to Kate Gentry, honorary B Pier member, for her election to Vice President of the Baltimore Yacht Club Mates. Look for Kate at many club events as she will have lots of BYC swag for sale!!!

Here's hoping everyone has a safe and happy holiday season!! And to everyone who can't get away to warmer environs this winter....stay warm!!!

Until next time....

Pat Meredith
Done Deal B18

C Pier Report

Hello C-Pier Members,

In this November edition, we reflect on the changing seasons, express gratitude for the warmth of friendship at BYC, and celebrate the achievements and milestones of our fellow C pier members. First and foremost, the C Pier extends warm wishes to all its members for a Happy Thanksgiving. As we gather with loved ones to give thanks for the blessings of the past year, let's take a moment to appreciate the camaraderie and shared moments at BYC that make our community special.

Speaking of gratitude, we'd like to express our heartfelt congratulations to Lori and Dave Ostendorf, as their youngest son recently got engaged, marking a new chapter in their family's journey. May the coming months be filled with wedding preparations and the joy of witnessing their family grow. In the circle of life, we also welcome the newest as Gina Pace and Kevin Nevel proudly welcomed another grandbaby into their lives.

We are thrilled to spotlight the accomplishments of our talented members. A round of applause for Allison Seward, whose skills and determination have earned her a coveted spot on the Baltimore Elite Volleyball Team. We wish her continued success.

Academic achievements are always a cause for celebration, and we are delighted to congratulate Eric Hermann on receiving his Bachelor's degree. Eric's dedication to his studies reflects the commitment to excellence that characterizes our BYC community.

As we celebrate triumphs, we also extend our thoughts and well wishes to Martha Grande. Martha is currently on the road to recovery from hip surgery, and we want her to know that the entire BYC family is sending positive vibes her way. May her strength and resilience be a source of inspiration to us all and we can't wait to see her in the coming months.

In closing, as the boats find their winter homes and the landscape transforms into a serene winter tableau, let's embrace the warmth of friendship and the spirit of togetherness that defines the Baltimore Yacht Club. If you have any updates or suggestions please do send to me at 410-294-4657 or email me meghowie23@gmail.com.

Here's to a season of gratitude, celebration, and looking forward to celebrating the holidays at BYC.

Best

Megan Howie (Eric Hermann) C-41

D Pier Report

Ahoy D Pier and BYC Shipmates!

As promised, here is the information for the BYC South Gathering: For those interested in the BYC South Sunday Brunch February 11, 2024 at the beautiful Isles Yacht Club in Punta Gorda, FL, contact Sylvia Stump @phone# 410 746-8525 or just text her. The Cost will be \$22.00 per person. Bar is extra and will be cash only. All BYC Past and Current Members, Mates, family, and friends are invited.

Speaking of south Florida, Kathy and I recently enjoyed a wonderful wine tasting event by our own D Pier "Wine Lady" P/FL Deb Penczek at the home of Marley P/C Patti Rome in Cape Coral, FL. Wayne and I served as the token guys attending. The wines and the food were tasty, and we all learned a little bit more about wine.

Some folks have a knack for nautical misadventure. Susan Gephart reports that Past YCM Skunk Flag winner, "Power Tower" John, fell from their runabout while it was on the trailer on land at the club and broke his hip. As of this article, John was in a rehab center another week and then will continue to recover at home. His spirits are great and we all look forward to a full recovery!

Finally, below is a story of boating travel and adventure sent in from the D Pier vessel AT LAST, captained by John Hall. I have included it as sent in with only minor edits for clarity.

"It's 6:45 am on November 3, John Hall, Rick Kammann, Jim and Colleen Smart departed BYC on AT LAST for Port Canaveral, Florida. Our time frame for travel was 9 days, but we arrived in 6 days. It was a calm and pleasant ride down the Chesapeake Bay and our first stop was Chesapeake, Virginia at the Great Bridge. Day 2 started at 7am, leaving Virginia and heading into North Carolina and having to dodge crab pots, we thought we were back in the Chesapeake Bay. Our stop that night found us docked at Jarrett Bay, North Carolina and the crew went window shopping that evening in the yard, looking at yachts that ranged from 70 feet to 120 feet.

Day 3 our plan was to head out into the Atlantic Ocean by Morehead City, North Carolina and running about 6 hours until we came back into the ICW around Wrightsville Beach and continuing to Southport, South Carolina only to find the crew anchored that night at Dutchman Creek.

Days 4 & 5, all crew accounted for and AT LAST headed back out to the Atlantic Ocean for a spectacular sunrise and only 351 nautical miles away from our destination. We saw sizable sea turtles and dolphins playing in our port and Starboard wakes. This would start our 28 hours tour this time since the Greek Gods of Poseidon and Oceanus was very kind to us giving us short swells of no to moderate height. We pulled into Fernandina Harbor, Florida and docked by 11am, giving the crew a day off. Day 6 found us off the dock and headed back to sea with even calmer waters in the Ocean – some swells were widely spaced.

As we enjoyed our passage down the ocean and we questioned what light house, marker or whatever that maker was off to our port side. Low and behold, a US Submarine surfaced! This was a first for us. We arrived in Port Canaveral, Florida by 4:30pm and were greeted by Mary Hall on the dock to help with stern lines. Our first full day at dock on Thursday found Rick, Jim and Colleen taking the tender out through the lock and exploring. Spotting a manatee, dolphins, and a sand shark. At 8:30 pm John, Rick, Jim, and Colleen watched Space X CRS 29 Falcon 9 launch at 8:30pm."

With AT LAST securely docked, Rick and John headed home that weekend while Jim and Colleen went by car to St. Augustine for a week, where so Jim had work assignment.

Until next time, See you on D Pier!

Sue Island Sue

As the sun sets on Sue Island, so has the 2023 boating season. The Commodores Ball has come and gone, ushering in the new Bridge. As the season has come to an end with some boats being pulled, some moving into their winter slips and others are on their way to southern destinations. There seems to be a new member named Rusty Mischief and is trying to make Michelle My Bell his new home. He has also been seen around Sue Island trying to meet some of the other members. The Holding Corporation has done a wonderful job cleaning out the garage, many of the items left over will be donated at the 2024 WOTI Auction. So, if you didn't pick up your items, you can look forward to bidding on them in August, thanks for your donations.

Sue Island Sue

Kilroy

Well...this is my first Sue Island Sue article and I really don't have much. But going forward, I'll be paying closer attention to the goings on around BYC. This will not be easy because with the club renovation and it being winter an all, not THAT much will be happening!!

I am counting on all of you to do your best to provide me with fun things to write about this coming year!! I'll be watching! Don't disappoint me!!!

Manager's Message

As we move into our winter construction phase, we want to keep you updated with some important information. While we are excited to welcome the change, we also acknowledge the challenges that come with it. As a result of the construction, the Club's dining services have been relocated to the Island View Room. We encourage all members to use the entrance by officer parking spaces to access this area.

Our team has worked hard to make the Island View Room a special place for everyone to enjoy. We have set up a full bar with comfortable seating and two TVs. Additionally, we have created a space for lounge seating, perfect for relaxing with friends and family. We invite you to come down and spend some time at the Club over the offseason. You can even take a peek at the construction progress through the windows.

If you are unable to visit the Club, you can still stay informed about the progress of the construction through our emails and social media pages, on Facebook and Instagram. Our team is regularly posting pictures and videos of the work being done. If you have any questions or would like additional information about our plans, please do not hesitate to contact me.

We appreciate your continued support. Happy Thanksgiving!
