Commodore's Message

It's about time the weather started cooperating. I had to have a sit down with, you know who, to get the weather to cooperate with BYC. You think we are busy in our everyday life, try getting a sit down with, you know who, not easy. He did apologize for the cold weather that caused our pipe to break. He said he was celebrating his birthday and he lost track of the temperature. Wine can do that sometimes.

Anyway, let's start your engines, rev up your dancing legs, and begin practicing imbibing in some fun beverages and keep the spirit of BYC alive and kicking. The pool will be open soon and the music will be outstanding and pool service is on the schedule. Opening Weekend will be upon us before we know

it and the fun will be a four-day extravaganza of fun, food, music, and camaraderie. Club Manager Scott Lockwood and his staff have been working hard to prepare the top of the hill to serve everyone just like we had a "real" fully functioning club house. I can't wait for you to see it. It will be like a Caribbean sail and snorkeling trip without sailing or snorkeling.

P/C Joe Vislocky is the Chairperson for Opening Weekend. This is not an easy task. So, when you see him, I am sure he could use a beer. I want to thank all the volunteers who worked so hard to put Opening Weekend together. A special thank you to Becky Johnson for painting the background on the stage for the skits. P/C Bill Ortman, P/C Jay Hurd, and P/C Barry Scott along with other volunteers who rebuilt the stage. I could go on and on about the great people at BYC who volunteer their time to keep the club the best on the Bay.

In closing, the design committee is preparing to present options to the membership for consideration. This may or may not have occurred prior to you reading this article. Please keep in mind they have poured many, many hours into preparing the designs based on membership feedback and concerns. They should be complimented for their dedication to BYC and the membership.

Please come out and support BYC and renew your friendships with people you have not seen for many months. Your friends and fellow members,

Thank you, Keith Lessner Commodore

Vice Commodore's Message

Happy Boating Season Everyone!!

I am pleased to report all our transatlantic travelers returned safely to find springtime boating season on our own Sue Island in full swing and yacht club community Opening Weekends well underway. On my first weekend "back in uniform" it was nice to have so many Past Commodore's join the Bridge as we endured the "salt and pepper heat" of Crescent's Opening Ceremony. I hope many of you will continue to join our line through the rest of the season. Only a couple more appearances in salt and pepper and whites will be all ours for the rest of the season.

Everyone is also hard at work preparing to kick off our Tiki Bars, Guitars, and a Whole Lot of Boats extravaganza in true BYC Opening Weekend style this Memorial Day Weekend. As chair of the Pool Committee, I'm pleased to report our pool will be opening on Saturday of Memorial Day Weekend WITH a diving board for everyone's summer enjoyment!! I hope all our members will take advantage of all the great food, music, and other entertainment available at the club over our Opening Weekend and throughout the summer pool season.

I would be remiss if I didn't extend my sincere appreciation to the Holding Corporation, every member of the team working on the clubhouse renovation project, and all the Club management and staff for all they continue to do to move the project forward, while also thinking "outside the box" to provide member services during the renovations. Our clubhouse renovation is a significant project with many moving parts, and challenges, both great and small. While I feel my role is insignificant, recognizing all that some of our other club leaders are responsible for, I am nonetheless honored, as the Vice Commodore, to be actively involved in a project of this magnitude during my time on the Bridge.

The significance of this project should not be underestimated by any member of the club. We stand at the forefront of a unique opportunity to play a part in determining what the future of Baltimore Yacht Club will look like for both our enjoyment, and for generations to come. The decisions we will soon be asked to consider go well beyond just the physical appearance of our clubhouse. As we approach the time to make hard choices about how to proceed with the renovation options, I would encourage each of you to stay informed, think about what's important to you for YOUR club, and actively participate in the upcoming club meetings to finalize our renovation plans. In a mere five years, BYC will celebrate its 90th anniversary. Personally, I am hopeful we will look back on this time and reflect on how we capitalized on an unanticipated emergency to create a refreshed, updated, engaging club environment that reflects the forward-thinking energy of our current club membership.

With Opening Weekend upon us, please remember two things. First, all our yacht club visitors are merely friends you

haven't met yet and also prospective future members. Feel free to direct any family, friends, or visitors with membership questions to me. I will assure myself or another member of the Membership Committee speaks with them. Second, please be patient with all our club staff and the many club member volunteers, as they go above and beyond the call of duty, under less-than-ideal clubhouse conditions, to ensure a good time is had by all. If you have any questions or concerns during Opening Weekend and beyond, please don't hesitate to contact me.

Looking forward to spending time with all of you Opening Weekend and beyond.

Best Regards,

R. Gary Blankenship, Vice Commodore

Rear Commodore's Message

Hello Captains!

The dockage and slip committee is finalizing plans for Opening Weekend dockage to welcome our guests and satisfy our members who may like to be able to take their boats in and out over the weekend.

As a reminder, the committee considers any empty slip as a slip that can be granted to a visitor that weekend. Contact us immediately if your slip is empty but will have your boat in the slip by that

weekend.

Please also contact us if you will need to be leaving and returning over the weekend so we can try to accommodate your wishes.

In addition, runabout slip holders located near the bulkheads between C and E piers and D and E piers who wish to use their runabouts over the weekend please move your runabouts behind your main slip on Thursday the 25th.

Lastly, I would like to thank everyone in advance for being welcoming to our visiting guests and the friendly hospitality we will extend in sharing the Baltimore Yacht Club experience with our boating brethren. It's going to be a party!

I wish everyone a great start to their summer and look forward to seeing all you around the basin!

Ahoy Members and visiting guest welcome to beautiful Sue Island for our time honored Opening Day Celebration a Tradition as old as the club itself.

We hope you enjoy yourselves this weekend any questions or anything you need our very capable Officers and Staff or myself will be glad to help.

Below I have some memories of opening day 60 years ago. June 1963 John Kennedy was President, Emerson Patten was Commodore And the Opening Day Buffet was \$2.50.

Well the buffet has gone up a little, but the memories, good times, and traditions are still free.

So Welcome Aboard one and all!

Fleet Captain's Message

Hello BYC Members!

We are so excited to welcome summer and the upcoming Opening Weekend at BYC! It's finally time to enjoy the sunshine, great music, and gatherings up on the hill!

Although the attendance for the shakedown cruise was minimal, to say the least as everyone must have been doing their own shakedown, the sock burning event was a success and the poem said it all! The weather that day held out and many socks were burned welcoming in the new season.

We have been enjoying attending other club openings, however, we are excited about BYC's upcoming Opening Weekend. The weekend will be filled with great music and an abundance of food, drinks, and laughter up on the hill!

While we are focused on Opening Weekend, we want to remind everyone to sign up for the week's cruise using Dockwa or Snagaslip as outlined in the email flyer sent by the club on May 6th. The week's cruise activities and attendance registration form will be sent out next week and we encourage everyone to complete the form as soon as possible. Of course, if you have questions, please contact me directly and Jan or I will be happy to assist.

The frostbite cruise details are underway, but we are looking at Osprey Point at Rock Hall. We will keep everyone updated as soon as the event details are finalized.

We look forward to seeing everyone during Opening Weekend and you won't miss Jan and I walking around. As always, we encourage members to continue to approach us with any event ideas or club concerns members may have.

Mates President's Message

Greetings from the Mates.

The Opening Weekend is soon upon us, and the mates will be keeping a close eye of how the weather is going to be. This will decide whether or not we will be selling BYC clothing outside. The Mate's Clothing cabinet has been moved by the women's restroom, and Debbie filled it with the inventory.

The Mate's are also looking into more planning for group activities, such as happy hours, and trips. We are still having our meetings prior to the General Membership meeting, so that everyone can attend. Please continue to support the Mate's with your nonperishable items, and toiletries that we continue to

collect, the containers are around the hostess station.

I hope to see everyone around the pool and at the opening, and a safe boating season.

If you have any questions as to what the Mate's do, please ask one of us, we would love to have more members join us in our endeavor to help our community. Thank you and God Bless everyone.

Sincerely,

Ruth Fuller-Corrado Mates President.

Princess Zoe Message

Hello BYC members!

Opening Weekend is approaching—and I'm more excited than ever! I can't believe it's finally time for those winter socks to go. Just recently I was able to attend our sock-burning ceremony for the first time and had a lot of fun spending time with everyone and getting ready for a sockless summer! I can't wait to see everybody on the island Memorial Day weekend to prepare for the upcoming boating season! I've been working diligently in my attempts to organize fundraising for the CASA charity and intend on informing everyone of the specifics of the fundraisers as soon as possible. I cannot wait to see what Opening

Weekend has in store for the members and all the visiting clubs in attendance! Sincerely,

Princess Zoe Hiemstra

A & B Pier Report

Happy Boating Season!!

Both piers are filling up, but we're still waiting for a few to make it back to their home slip.

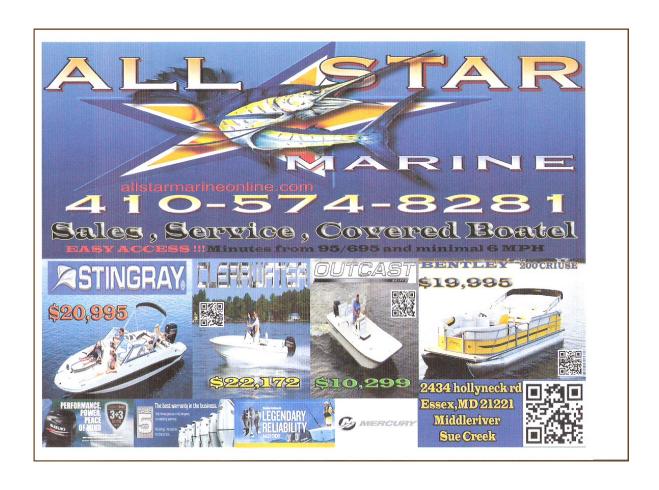

Dave and Debbie Ampacher returned to BYC from Palm Coast, Florida on Mothers Day. They made it back in 14 days (13 nights at anchor). They weren't fooling around getting back as soon as they could.

Pat Hodges is continuing to recover from her hip surgery and is now on a cane and able to use steps. She still can't get on the boat but she is mobile and that's what counts!!

Pier Captain Paula Johnson has built the email list and created a Facebook page for A & B Pier. You'll start seeing communications from both. The Facebook page is titled A&B Pier @ BYC. If you are on Facebook, please go out and join the page.

We are looking forward to a great Opening Weekend and boating season. See everyone soon!!

C Pier Report

Dear C Pier members,

We are thrilled to officially welcome you to another exhilarating boating season on C Pier! As the weather warms up and the waters beckon, it's time to dust off your eisen glass, polish your hulls, and get ready for unforgettable adventures on the Chesapeake Bay. We couldn't be more excited to kick off this boating season with each and every one of you.

As we embark on this journey, we want to extend our warmest wishes for a happy Memorial Day Weekend. It's a time to honor and remember those who have served our nation while enjoying the freedom and joy that boating brings. Let's come together and celebrate the spirit of adventure, camaraderie, and the splendor of the bay.

We wish a happy 60th birthday to Kim Bosley and congratulate the Rueter's as they have a wedding of their youngest grandchild (grandchild #10) in June and their granddaughter #5 is expecting in a baby in early September. In addition, their grandson #9 just accepted an assistant basketball coaching job at Flagler University in St. Augustine Florida.

This season promises an array of exciting events, trips, and social gatherings for all members to enjoy. From exhilarating rides to tranquil sunset cruises, there's something for everyone at the Baltimore Yacht Club. Please do look and add yourself to our facebook "C-Pier- BYC". We are still looking for a pier captain, however Megan Howie has offered to help kick us off with organizing a pitch in Breakfast on Saturday, May 27th and other activities this summer. If you would like to help please let her know and stop by at C41 or call/text 410-294-4657 or email her at mhowie@Jhu.edu

We look forward to making this boating season an unforgettable one, filled with laughter, camaraderie, and a shared love for the water. So hoist your flags high, feel the wind in your hair, and let's set sail on an incredible journey together!

Fair weather and a happy Memorial Day Weekend!

Warm regards,

Julie and Megan

The Hale family is very proud of their twins, Leo, who is graduating from Dulaney HS and heading to McDaniel College and Charlie who is graduating from Loyola Blakefield and headed to the US Naval Academy. Charlotte Wilson is pleased to announce that Grandson Kyle Wilson is graduating from C Milton Wright HS. Margaret Hellner, niece of Joe and Kathy Hellner, will graduate from Montgomery Blair HS and will start at Towson University this Fall.

D Pier All Hands - Please let me know about your 2023 grads so we can share the great news with our friends on the pier and at the club.

Sadly, we recently heard of the passing of longtime D Pier resident Dean Stump. Dean and Sylvia were very active at the club and on the pier, always willing to help in any way they could. As many will recall, Dean Stump was always a gentleman, always friendly, and, together, Sylvia and he were always a hoot. After moving to Florida, Dean and Sylvia, not forgetting their good friends at BYC, organized a popular annual winter gathering at Isles YC in Punta Gorda, FL that became known "BYC South".

As for D Pier happenings, word arrived about a swing and a miss (hey, it's baseball season too) by Frank Sauer, who organized a sure to be fun Weenie Roast. Unfortunately, when all gathered for the feast, Franks "Furters" were nowhere to be seen and the now not so hot event quickly went to the dogs. Guests were heard to exclaim "Only a Great Big Weenie" would hold a Weenie Roast and forget to bring the Weenies.

P/C Andy wants everyone to know he is ready to give swimming lessons after taking a surprise inspection of the underside of Ed Gerner's boat. As a former Navy Submariner, Andy reports his brief return to undersea exploration brought back memories including the time he stayed down longer to hide out from a hurricane. Down deep, Andy and the rest of the off-watch crew on his sub watched movies while the sailors up on the surface turned green as their ships got tossed all over the ocean.

Welcome Back to all the D Pier voyagers who traveled across the ocean on NORWEGIAN BREAKAWAY with an itinerary that included stops at Burmuda, the Azores, Portugal, Spain, France, and Italy. They are sure to have some great pictures and stories to tell!

Finally, I got a note from D Pier's own Anon A. Mouse, which reads as follows, "Rumor has it that our beloved Commodore and fearless leader Keith Lessner will shortly announce his candidacy for President of the United States. Sam Lessner has not only agreed to become First Lady, but also Party and Event Planner extraordinaire. By the way, she

loves gifts! Linda Gerner will be Keith's Vice Presidential running mate, with Ed Gerner being 2nd Gentleman and White House General Counsel. This is yet another demonstration of how D Pier "rules"."

I think Anon might have been making a little too merry when he or she wrote that.

Manager's Message

Welcome to Baltimore Yacht Club's Opening Weekend! This year's layout is considerably different than prior years. After a water line rupture over the winter, our Club has had the unique opportunity to remodel our Club for years to come. While the undertaking of starting construction has seemed slow, it is due to a detailed process to ensure we explore all our options to enhance the membership experience we deliver beyond our current structure. So, we will use this year to provide an exclusive experience with the anticipation of returning to our newly remodeled clubhouse next season.

Part of the challenge for this season will be our layout. Our staff will be operating in areas that are limited in space and normal amenities. Please be patient with our team, and if you would like any assistance beyond what our team has available, please feel free to ask an Officer or a member of our management staff.

We hope you enjoy Baltimore Yacht Club's Opening Weekend, and we will focus our activities outside on our hill overlooking the majestic Chesapeake Bay.

Cheers,

Scott Lockwood, CCM

Have a wonderful and safe boating season. Best wishes the rest of the way through to Commodore Keith and First Lady Sam!
