Commodore's Message

Greetings BYC members,

This will be my last article for the Spray as Commodore of BYC. Next month, I will congratulate our new Officers and wish them a successful year. This year, and the last four as an officer have zoomed by in a flash. Along the journey we have met some interesting people, learned what it means to represent BYC, and enjoyed fellowship among our sister Clubs. It was challenging at times but as a team we worked hard to overcome the problem and find a reasonable solution.

Thank you to my Bridge and Board of Governors for your support. Past Commodores for your help, advice and guidance, although at times we didn't see eye to eye. The Holding Corporation for their support and help, and for working with us to improve the membership experience.

Scott Lockwood for helping me understand club management, his support and advise, my sometimes sounding board. I will miss working closely with you. Thank you.

To all of our friends, volunteers and others that have made our Commodore year a success. Planning, decorating and volunteering your time for us....thank you. We could not have enjoyed this past year without your support.

Frank and Sharon Schepers for planning and executing our Commodores Ball, thank you.

Wayne and Debbie Penczek for planning and executing our Opening Weekend, thank you.

Jack and Nancy Peters for being our photographer; all your hard work was appreciated by us both...thank you. To everyone else that gave their time, support and money [?] to make this year as Commodore a wonderful experience, thank you.

To my wife and First Lady Karen, best friend, harshest critic and biggest supporter... thank you. We could not have made this journey happen without each other's love and support. I love you.

We have been asked by some members: "I guess you're glad this year is over" and our answer is no, we have enjoyed it tremendously. I am proud to have served our membership and we will continue to help in any capacity. The only thing better would be to serve two years instead of one.

In closing I believe that our Club has enjoyed a successful year and I know that our new Commodore and Officers will continue to provide great leadership going forward.

Nautically yours

Commodore Bill and First Lady Karen

Vice Commodore's Message

The winds, "they are a changing", and the temperature is getting a little cooler. Sounds like a great recipe for BYC's annual Frostbite Cruise. Fleet Captain Eric Hiemstra put together a two-day fun filled trip to Great Oaks Marina. I hope all who read this attended the trip. Even more I hope everyone enjoyed the monster crabs and bonfire.

As I endeavor to step into the position of Commodore, for the best yacht club on the Chesapeake Bay, and step into the position of my immediate predecessors, PC Joe Vislocky, PC Barry Scott and soon to be FC Bill Ortman, I hope to carry on in their footsteps. BYC has some aggressive plans for the next couple of years to enhance our collective experiences. With the support of the members, it is our hope, we can improve the clubhouse and add a cabana bar to the top of the hill. Let's keep our fingers crossed these projects come to fruition.

I am writing this on the eve of the Celebration of Life for our beloved member, Lee Madairy. The day will start out with a bicycle ride, because Lee and Lisa were avid bicyclists, and end with his favorite band Sagamore. Lisa Madairy and Lisa Hurd are the Chairpersons for this event, and it is quite an undertaking for BYC. I hope all who attended enjoyed themselves and will continue our efforts to support the Lee Madairy scholarship fund. A special thanks to Manager Scott Lockwood and his staff for stepping up and making the event a wonderful experience for all and honoring Lee in a special way.

I want to thank everyone for all their support for the past four years and hope I can count on everyone in my Commodore year. As we all know without the love and support of our special person in our lives this would be an impossible task. A very special thank you to Sam for her love and support as we move forward as a couple to make next year special for everyone at BYC.

I am looking forward to the future at BYC. The current Bridge and Board of Governors, along with committee members, will continue to work towards improvement and continued growth for beautiful Sue Island and her inhabitants.

Rear Commodore's Message

Here we are at the end of another boating season. With our Change of Watch and Commodore's Ball both just around the corner, it is an appropriate time to thank all of members who worked so hard to make my Rear Commodore year a successful one. To each of you who lent a hand, had words of sage advice, or just took the time to help your fellow dock mates, I truly appreciate each of your efforts.

To our "soon to be" IPC and IPFL Bill and Karen Ortman, thanks so much of all your hard work and perseverance. Pam and I both appreciate your support, guidance, and friendship. Silver truly is much lighter than gold. Enjoy it, but don't go too far away, we still need you around the club!

Commodore Keith and First Lady Sam, as you take the helm know that Pam and I are there to support you and we are looking forward to working together to continue to improve the club for the benefit of all. Here's to lots of fun times and hard work ahead.

Hope to see many of you at our upcoming Frostbite Cruise at Great Oak Marina to thank you in person for all your support this past year. Speaking of the Frostbite Cruise, here's a special shout out to Fleet Captain Eric and Fleetress Tristan for all the adventures and fun times this year. You two went above and beyond the call of duty to make sure we all had a great time all year long while still managing the Hiemstra Team. We look forward to working with you as you move up the line.

I would be remiss without sending well wishes to our incoming Fleet Captain Scott DeLong and Fleetress Jan as you begin your journey up the Bridge. There's plenty of hard work and good times ahead but the Bridge is a team. We're all here to help with anything you need. Feel free to call on any of your fellow Bridge Members for assistance any time.

To all the new officers, Board and Committee Chairs, thank you for your support of the Club. I look forward to working with all of you in the coming year. Don't forget the 2023 Mates Installation Breakfast is coming up on October 15th. Congratulations Ruthie for a job well done and for stepping up to continue as President in the coming year. I hope all of you will come out to the club for a great breakfast and to wish the new Mates officers and Board well in the coming year. Thanks, Mates, for all you do to enhance our Club. Your special role does not go unnoticed nor unappreciated.

Finally, as I leave behind the responsibility for the Club basin, I need to personally thank Marina Manager Donnie and his staff for all your attention to detail over the past year. You and your team made my Rear Commodore year much easier to manage.

As fall approaches and we begin to prepare our boats for the winter season, be sure to keep Donnie and incoming R/C Eric informed of your winter plans to ensure a smooth and safe transition of the Basin. If you have questions or are interested in participating in any of the new roles I'll be taking on, please feel free to contact me.

Regards,

Gary Blankenship
Vice Commodore-Elect

Fleet Captain's Message

Hello Everyone,

I am writing my last article as Fleet Captain while planning some of the final details for the Frostbite Cruise to Safe Harbor Great Oak Landing. I'm pleased to report we have over 30 boats registered as of this writing and with only a week to go the weather is looking great for our trip.

I would like to thank our Manager and staff for their support and execution of the entertainment during the year and some of the finer details. Also, the Bridge and countless others for their support and contributions of time and energy to make my year as Fleet Captain successful. It has taken a village to pull many of the plans together and am very appreciative of the BYC community. I'm especially grateful to my wife Tristan for her support, dedication, and sacrifice for our duties this year. It has all been very rewarding to both of us and we have enjoyed serving you in this role.

I would like to extend my gratitude to Commodore Bill Ortman and First Lady Karen for their service to BYC and congratulate them on a great year in the history of BYC. You also made our job easy by choosing Mardi Gras as your theme and allowing us flexibility to run with things. I also cannot thank the Commodore enough for what he has done over the past year to support our daughter; BYC's Past Princess Gabby. The Commodore and First Lady were always so supportive of her and spent countless hours between the orientation, program activities, the pageant, chauffeuring her, the balls, the openings, and the encouragement. Most of all, taking up for her in trying times and upholding OUR standards as Baltimore Yacht Club. I really cannot thank you enough.

I wish everyone a great Fall and may you get a few more good boating days in before you have to officially call it quits for the season.

In the meantime, see you on the hill!!!

Sincerely,

Eric Hiemstra

Mates President's Message

I Happy Fall!

The BYC Mates are excited to start a new year.

We will be having the Mates instillation Brunch on October 15th to install the new officers:

Vice President – Michelle Martin

Treasurer – Deb Penczek

Recording Secretary – Gina Partlow

Financial Secretary – Pat Hodges

Corresponding Secretary – Nancy Peters

Members at Large – Pat Meredith, Lori Ostendarp and Bobbi Schofield.

I would like to thank my current officers and members at large for their support this year.

The Mates will still be collecting non-perishable food and toiletries for the year, all donations will be appreciated. We are also starting to plan for our Angel Tree gift collection – and we know that the need will be greater this year again. This is what we're all about, helping our community thrive through these difficult times.

With everything we have been able to accomplish, we want to do even more. But in order to bring this to fruition, we need you! We need more folks to step forward and offer their thoughts, words and actions to help us grow into the organization that we can be. I ask you to join the Mates and help us realize our potential in making our corner of the world a better place. Please consider joining the Mates in our mission to help our community be a better place. We meet once a month on the same night as the BYC general membership meeting.

In closing, a big thank you to Commodore Bill Ortman, his officers and manager Scott Lockwood for keeping the Mates included in the communications of the Club.

Warmest wishes,

Ruthie Fuller

NEW LIFT IN USE!

A & B Pier Report

Well, boating season is slowing down for some and picking up for others. Dave and Debbie Amspacher have been away with on several sail trips and should soon begin prepping for their getaway south for the winter. Hopefully, the damage caused by Hurricane Ian will not adversely impact their plans or the plans for any others who planned to go south.

PC Barry and I will be joining the club at Great Oak Safe Harbor Marina for the Frostbite cruise. Even though it's only one night, we anticipate lots of fun and one more chance to have delicious Chester River Seafood Company crabs!

And lastly.....Great News!! Paula Johnson has stepped up to be the new A & B Pier Captain. Paula will build an email distribution list from the email addresses listed in the club directory. This way, Paula can get the word out for any fun plans in the works.

Thank you so much Paula!!

Don't forget, if you have news to share, please drop me a quick note at patmeredith2002@yahoo.com

Until next month.....

Pat Meredith

C Pier Report

Ahoy! Not much to report from C Pier this month.

Fun was had by all at the crab feast on the 24th. Joe and Kris Stremmel outdid themselves with their "York County" cooler corn that came from their cousin's farm. I'm told it was delicious. I hear the Crabs were excellent, too!!

Many thanks to Krissy for chairing the event and to Emory Harshman for running Krissy & P/C Barry Scott over to Norris Seafood to pick up the crabs.

If you have anything you'd like to add to the next Spray issue, please feel free to e-mail me at Julie.bertoldi@gmail.com.

D Pier Report

Ahoy D Pier and BYC Shipmates!

It is always sad to see the pool close for the season, but it also means September weather and often perfect conditions to go out on the water or just hang out on the pier.

September also meant time for the end of season pier parties with D Pier featuring a shrimp boil. A big D Pier thanks to Chair Sharon Bass, cooks Don and Steve and the many other folks who volunteered to make this gathering a great success. I have included a few photos this month, that, I think, tell the story better than any words.

On the travel front, Kathy and Rick Burns spent nine days in Ireland visiting friends there and enjoying the sights and the warm hospitality of the Irish. Rick reports that their daughter (Past BYC Princess) Meghan and husband Shane are doing great in their jobs with the Navy. Meghan has been staying up at MIT as part of a NAVAIR program to make their bright engineers even smarter.

Many D Pier members noted Kent Terry in his usual place this summer, buried in the engines with tools and parts everywhere. All is well now! Kent has some great engine repair stories and impressive photos of where exhaust burned through his manifold. Kent says that the repaired engine runs now better than ever, but it looks like that may be it for FAGARWE II and the Terrys as the boat is now for sale.

Finally, on the "where are they now?" front, P/C Dick and P/FL Mary Bruns left Maryland on land travel for their winter hideaway in Florida just in time for Hurricane Ian. Fortunately, they were in Georgia for a family event and decided to wait for Ian to pass. They will be staying on their RV inland not far from Orlando. Their plan is to come back up periodically to visit and attend some club events as well as the CCC Ball in January.

Until next time, see you on D Pier.

Manager's Message

What a fantastic year enjoying the tastes and sounds of New Orleans with Commodore Bill Ortman and First Lady Karen. I appreciate the leadership you provided the Club and am grateful for the friendship we developed during your time as a Bridge Officer.

The Commodore's Ball is right around the corner, and we are celebrating a new year and the Club's transition of officers. The Ball is a special event to honor and celebrate our Club traditions. There has been a lot of work behind the scenes to organize and plan this year's ball. I am looking forward to seeing all of this hard work come together and for the Club to showcase the talents of our dedicated membership and staff.

Later in the month, we will host the Fall Festival and Halloween Happy Hour. The Fall Festival has become a Club tradition and fun celebration of the season. Last year we started the Halloween Happy Hour, and I anticipate this year's event will be just as good, if not better, than the original. Then on the first weekend in November, we will host the Bull & Oyster Roast. Last year was the first with a Casino theme which we will be recreating again this year. Good Luck!

Thank you all for a wonderful season. Our team is excited to get the 2023 year underway!

Cheers,

Scott Lockwood, CCM

	Restaurant Commercial Residential Construction Experts Since 1989 <i>BARLINConstruction.com</i> Cell: 410.627.6186 Fax: 410.682.4833 Phone: 410.682.5266 <i>Jake@BARLINConstruction.com</i>

At 65, you
can't ask
for a bigger
allowance.

Managing your retirement income will be as important in the future as it is today. We can help you plan for retirement, grow your assets and evaluate your retirement income potential. We strive to understand your individual needs and goals and create a strategy that is appropriate for you. And that allows you to move forward with confidence. Helping you toward your financial goals is our job.

**Call for an appointment,
and let's get started**
